General Guidelines

Institutional Grant Applications for dependents will be accepted in the Fall, Spring, and Summer. Submission of application does not guarantee approval of Institutional Grant Benefits and are subject to availability of funds per semester.

An Eligible dependent is defined as a legal spouse, or son/daughter of age of 25 or younger whom reside with the employee.

Eligible dependents may apply to take courses that comply with a specified degree plan or statement of educational purpose. All guidelines related to the implementation of this policy will be maintained by the Office of Human Resources and require approval by the College President. The Office of Human Resources reserves the right to request and obtain proof of dependency.

Dependents that are eligible for state or federal aid excluding merit scholarships must first exhaust these funds before becoming eligible for the institutional tuition grant.

For non-resident status dependents, the College pays the in-district amount only and the employee is responsible for the difference.

Should a course(s) be dropped it must be done before the 1st class day of the semester. Dropping the course(s) will result in participant having to pay for the course(s) if he/she decides to retake the course(s).
