Equal Employment Opportunity is THE LAW

Private Employers, State and Local Governments, Educational Institutions, Employment Agencies and Labor Organizations

Applicants to and employees of most private employers, state and local governments, educational institutions, employment agencies and labor organizations are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN

Title VII of the Civil Rights Act of 1964, as amended, protects applicants and employees from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment, on the basis of race, color, religion, sex (including pregnancy), or national origin. Religious discrimination includes failing to reasonably accommodate an employee’s religious practices where the accommodation does not impose undue hardship.

DISABILITY

Title I and Title V of the Americans with Disabilities Act of 1990, as amended, protect qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship.

AGE

The Age Discrimination in Employment Act of 1967, as amended, protects applicants and employees 40 years of age or older from discrimination based on age in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment.

SEX (WAGES)

In addition to sex discrimination prohibited by Title VII of the Civil Rights Act, as amended, the Equal Pay Act of 1963, as amended, prohibits sex discrimination in the payment of wages to women and men performing substantially equal work, in jobs that require equal skill, effort, and responsibility, under similar working conditions, in the same establishment.
GENETICS

Title II of the Genetic Information Nondiscrimination Act of 2008 protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. GINA also restricts employers’ acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members.

RETALIATION

All of these Federal laws prohibit covered entities from retaliating against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful employment practice.

WHAT TO DO IF YOU BELIEVE DISCRIMINATION HAS OCCURRED

There are strict time limits for filing charges of employment discrimination. To preserve the ability of EEOC to act on your behalf and to protect your right to file a private lawsuit, should you ultimately need to, you should contact EEOC promptly when discrimination is suspected: The U.S. Equal Employment Opportunity Commission (EEOC), 1-800-669-4000 (toll-free) or 1-800-669-6820 (toll-free TTY number for individuals with hearing impairments). Employers Holding Federal Contracts or Subcontracts

Applicants to and employees of companies with a Federal government contract or subcontract are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN

Executive Order 11246, as amended, prohibits job discrimination on the basis of race, color, religion, sex or national origin, and requires affirmative action to ensure equality of opportunity in all aspects of employment.

INDIVIDUALS WITH DISABILITIES

Section 503 of the Rehabilitation Act of 1973, as amended, protects qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship. Section 503 also requires that Federal contractors take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.
DISABLED, RECENTLY SEPARATED, OTHER PROTECTED, AND ARMED FORCES SERVICE MEDAL VETERANS

The Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212, prohibits job discrimination and requires affirmative action to employ and advance in employment disabled veterans, recently separated veterans (within three years of discharge or release from active duty), other protected veterans (veterans who served during a war or in a campaign or expedition for which a campaign badge has been authorized), and Armed Forces service medal veterans (veterans who, while on active duty, participated in a U.S. military operation for which an Armed Forces service medal was awarded).

RETRIBUTION

Retaliation is prohibited against a person who files a complaint of discrimination, participates in an OFCCP proceeding, or otherwise opposes discrimination under these Federal laws.

Any person who believes a contractor has violated its nondiscrimination or affirmative action obligations under the authorities above should contact immediately:

In addition to the protections of Title VII of the Civil Rights Act of 1964, as amended, Title VI of the Civil Rights Act of 1964, as amended, prohibits discrimination on the basis of race, color or national origin in programs or activities receiving Federal financial assistance. Employment discrimination is covered by Title VI if the primary objective of the financial assistance is provision of employment, or where employment discrimination causes or may cause discrimination in providing services under such programs. Title IX of the Education Amendments of 1972 prohibits employment discrimination on the basis of sex in educational programs or activities which receive federal financial assistance.

INDIVIDUALS WITH DISABILITIES

Section 504 of the Rehabilitation Act of 1973, as amended, prohibits employment discrimination on the basis of disability in any program or activity which receives Federal financial assistance. Discrimination is prohibited in all aspects of employment against persons with disabilities who, with or without reasonable accommodation, can perform the essential functions of the job.

# Your Rights Under USERRA

## The Uniformed Services Employment and Reemployment Rights Act

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

### Reemployment Rights

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- you ensure that your employer receives advance written or verbal notice of your service;
- you have five years or less of cumulative service in the uniformed services while with that particular employer;
- you return to work or apply for reemployment in a timely manner after conclusion of service; and
- you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

### Health Insurance Protection

- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- Even if you don’t elect to continue coverage during your military service, you have the right to be reinstated in your employer’s health plan when you are reemployed, generally without any waiting periods or exclusions [e.g., pre-existing condition exclusions] except for service-connected illnesses or injuries.

### Enforcement

- The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violators.
- For assistance in filing a complaint or for any other information on USERRA, contact VETS at 1-866-4-USA-VETS or visit its website at http://www.dol.gov/vets. An interactive online USERRA Advisor can be viewed at http://www.dol.gov/elaws/userr.htm.

- If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

*The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: http://www.dol.gov/vets/programs/userr/a/poster.htm. EMPLOYEE RIGHTS
UNDER THE FAIR LABOR STANDARDS ACT

FEDERAL MINIMUM WAGE
$7.25 PER HOUR
BEGINNING JULY 24, 2009

The law requires employers to display this poster where employees can readily see it.

OVER TIME PAY
At least 1½ times the regular rate of pay for all hours worked over 40 in a workweek.

CHILD LABOR
An employee must be at least 16 years old to work in most non-farm jobs and at least 18 to work in non-farm jobs declared hazardous by the Secretary of Labor. Youth in the 14 to 15 years old may work outside school hours in various non-manufacturing, non-mining, non-hazardous jobs with certain work hours restrictions. Different rules apply to agricultural employment.

TIP CREDIT
Employers of “tipped employees” who meet certain conditions may claim a partial wage credit based on tips received by their employees. Employers must pay tipped employees a cash wage of at least $2.13 per hour if they claim a tip credit against their minimum wage obligation. If an employee’s tips combined with the employer’s cash wage of at least $2.13 per hour do not equal the minimum hourly wage, the employer must make up the difference.

NURSING MOTHERS
The FLSA requires employers to provide reasonable break time for a nursing mother employee who is subject to the FLSA’s overtime requirements in order for the employee to express breast milk for her nursing child for one year after the child’s birth. Each time such employee has a need to express breast milk. Employers are also required to provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by the employee to express breast milk.

ENFORCEMENT
The Department has authority to recover back wages and an equal amount in liquidated damages in instances of minimum wage, overtime, and other violations. The Department may investigate and/or recommend criminal prosecution. Employers may be assessed civil money penalties for willful or repeated violation of the minimum wage or overtime pay provisions of the law. Civil money penalties may also be assessed for violations of the FLSA’s child labor provisions. Heightened civil money penalties may be assessed for each child labor violation that results in the death or serious injury of any minor employee, and such assessments may be doubled when the violations are determined to be willful or repeated. The law also prohibits retaliating against or discharging workers who file a complaint or participate in any proceeding under the FLSA.

ADDITIONAL INFORMATION
• Certain occupations and establishments are exempt from the minimum wage, and/or overtime pay provisions.
• Special provisions apply to workers in American Samoa, the Commonwealth of the Northern Mariana Islands, and the Commonwealth of Puerto Rico.
• Some state laws provide greater employee protections; employers must comply with both.
• Some employers incorrectly classify workers as “independent contractors” when they are actually employees under the FLSA. It is important to know the difference between the two because employees (unless exempt) are entitled to the FLSA’s minimum wage and overtime pay protections and correctly classified independent contractors are not.
• Certain full-time students, student learners, apprentices, and workers with disabilities may be paid less than the minimum wage under special certificates issued by the Department of Labor.
EMPLOYEE RIGHTS
EMPLOYEE POLYGRAPH PROTECTION ACT

The Employee Polygraph Protection Act prohibits most private employers from using lie detector tests either for pre-employment screening or during the course of employment.

PROHIBITIONS
Employers are generally prohibited from requiring or requesting any employee or job applicant to take a lie detector test, and from discharging, disciplining, or discriminating against an employee or prospective employee for refusing to take a test or for exercising other rights under the Act.

EXEMPTIONS
Federal, State and local governments are not affected by the law. Also, the law does not apply to tests given by the Federal Government to certain private individuals engaged in national security-related activities.

The Act permits polygraph (a kind of lie detector) tests to be administered in the private sector, subject to restrictions, to certain prospective employees of security service firms (armed car, alarm, and guard), and of pharmaceutical manufacturers, distributors and dispensers.

The Act also permits polygraph testing, subject to restrictions, of certain employees of private firms who are reasonably suspected of involvement in a workplace incident (theft, embezzlement, etc.) that resulted in economic loss to the employer.

The law does not preempet any provision of any State or local law or any collective bargaining agreement which is more restrictive with respect to lie detector tests.

EXAMINEE RIGHTS
Where polygraph tests are permitted, they are subject to numerous strict standards concerning the conduct and length of the test. Examinees have a number of specific rights, including the right to a written notice before testing, the right to refuse or discontinue a test, and the right not to have test results disclosed to unauthorized persons.

ENFORCEMENT
The Secretary of Labor may bring court actions to restrain violations and assess civil penalties against violators. Employees or job applicants may also bring their own court actions.

THE LAW REQUIRES EMPLOYERS TO DISPLAY THIS POSTER WHERE EMPLOYEES AND JOB APPLICANTS CAN READILY SEE IT.
EMPLOYEE RIGHTS
UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS
Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within a year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered servicemember’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employers must restore the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

ELIGIBILITY REQUIREMENTS
An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee’s workplace.

*Special “hours of service” requirements apply to airline flight crew employees.

REQUESTING LEAVE
Generally, employees must give 30 days’ advance notice of the need for FMLA leave. If it is not possible to give 30 days’ notice, an employee must notify the employer as soon as possible and, generally, follow the employer’s usual procedures.

Employers do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave if the employer determines that the certification is incomplete. It must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES
Once an employer becomes aware that an employee’s need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify their employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT
Employers may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

DERECHOS DEL EMPLEADO
SEGÚN LA LEY DE Ausencia FAMILIAR Y MÉDICA
DIVISIÓN DE HORAS Y SALARIOS DEL DEPARTAMENTO DE EE. UU.

DE LOS DERECHOS
DE LA LICENCIA
Los empleados elegibles que trabajen para un empleador sujetos a esta ley pueden tomarse hasta 12 semanas de licencia sin sueldo si perder su empleo por las siguientes razones:
- El nacimiento de un hijo o la colocación de un hijo en adopción o en hogar de crianza;
- Para establecer lazos afectivos con un niño (la licencia debe ser tomada dentro del primer año del nacimiento o la colocación del niño);
- Para cuidar el estrés del empleado, el hijo, o el padre que tiene un problema de salud serio que califique;
- Debido a un problema de salud serio del mismo empleado que califique y que resulte en que el empleado no pueda realizar su trabajo;
- Por exigencias que califiquen relacionados con el desplazamiento de un miembro de las fuerzas armadas que sea cónyuge del empleado, hijo o padre.

Un empleado elegible que es cónyuge, hijo, padre o familiar más cercano del miembro de las fuerzas armadas que está cubierto, puede tomarse hasta 26 semanas de licencia bajo la Ley de Ausencia Familiar y Médica (FMLA) por sus siglas en inglés) en un período de 12 meses para cuidar al miembro de las fuerzas armadas que tenga una lesión o enfermedad seria.

Un empleado no tiene que tomar la licencia de una sola vez; cuando es medicamente necesario o de otra manera permitido, los empleados pueden tomarse la licencia de forma intermitente o en una jornada reducida.

Los empleados pueden elegir, o un empleado puede exigir, el uso de licencias pagadas acumuladas mientras se toman la licencia bajo la FMLA. Si un empleado sustituye la licencia pagada acumulada por la licencia bajo la FMLA, el empleado tiene que respetar las políticas de pago de licencias normales del empleador.

Mientras los empleados están de licencia bajo la FMLA, los empleadores tienen que continuar con la cobertura de salud si los empleados no estuvieren de licencia.

Después de regresar de la licencia bajo la FMLA, a la mayoría de los empleados se les tiene que resubir el mismo trabajo o uno casi idéntico, con el pago, los beneficios y otros términos y condiciones de empleo equivalentes.

Un empleado no puede interrumpir los derechos de la FMLA de un trabajo a otro trabajo reemplazando contra quienes por usar o tratar de usar la licencia bajo la FMLA, o aporremo o cualquier práctica ilegal hecha por la FMLA, o estar involucrado en un procedimiento según o relacionado con la FMLA.

REQUISITOS
DE ELEGIBILIDAD
Un empleado que trabaja para un empleador cubierto tiene que cumplir con tres criterios para poder ser elegible para una licencia bajo la FMLA. El empleado tiene que:
- Haber trabajado para el empleador por lo menos 12 meses;
- Tener por lo menos 1.200 horas de servicio en los 12 meses previos a tomar la licencia*; y
- Trabajar en el lugar donde el empleador tiene al menos 50 empleados dentro de 73 millas del lugar de trabajo del empleado.

*Requisito especiales de "horas de servicio" se aplican a empleados de una tripulación de una aerolínea.

PEDIDO DE LA
LICENCIA
En general, los empleados tienen que pedir la licencia necesaria bajo la FMLA con 30 días de anticipación. Si no es posible avisar con 30 días de anticipación, un empleador tiene que notificar al empleado lo más pronto posible y, generalmente, seguir los procedimientos usuales del empleador.

Los empleados no tienen que informar un diagnóstico médico, pero tienen que proporcionar información suficiente para que el empleador pueda determinar si la ausencia califica bajo la protección de la FMLA. La información suficiente puede incluir informarle al empleador que el empleado está o está incapacitado para realizar sus funciones laborales, que un miembro de la familia no puede reiniciar los actividades diarias, o que una hospitalización o un tratamiento médico es necesario. Los empleados tienen que informar al empleador si la necesidad de la ausencia es por una razón por la cual la licencia bajo la FMLA fue previamente tomada o certificada.

Los empleadores pueden exigir un certificado o una reiteración periódica que respalde la necesidad de la licencia. Si el empleado determina que la certificación está incompleta, tiene que proporcionar un aviso por escrito indicando que información adicional se requiera.

RESPONSABILIDADES
DEL EMPLEADOR
Una vez que el empleado ha comunicado que la necesidad de la ausencia del empleado es por una razón que puede calificar bajo la FMLA, el empleador tiene que notificar al empleado si el o ella es elegible para una licencia bajo FMLA y, si es elegible, también tiene que proporcionar un arco de los derechos y responsabilidades según la FMLA. Si el empleado no es elegible, el empleador tiene que brindar una razón por la cual no es elegible.

Los empleadores tienen que notificar a sus empleados si la ausencia será designada como licencia bajo la FMLA, y de ser así, cuánta ausencia será designada como licencia bajo la FMLA.

CUMPLIMENTO
Los empleadores pueden presentar un reclamo ante el departamento de los empleados. Los empleados pueden presentar un reclamo ante el Departamento de Trabajo de EE. UU., la División de Horas y Salarios, o pueden presentar una demanda privada contra un empleador.

La FMLA no afecta a ninguna ley federal o estatal que prohíba la discriminación ni sustituye a ninguna ley estatal o local o convenio colectivo de negociación que proponga mayores derechos de ausencias familiares o médicas.

WHD-0190A  REV 04/19
EMPLOYEE RIGHTS
FOR WORKERS WITH DISABILITIES
PAID AT SUBMINIMUM WAGES

This establishment has a certificate authorizing the payment of subminimum wages to workers who are disabled for the work they are performing. Authority to pay subminimum wages to workers with disabilities generally applies to work covered by the Fair Labor Standards Act (FLSA), McMahon-O'Hara Service Contract Act (SCA), and/or Walsh-Meany Public Contracts Act (PCA). Such subminimum wages are referred to as "commensurate wage rates" and are less than the basic hourly rates stated in an SCA wage determination and/or less than the FLSA's minimum wage of $7.25 per hour. A "commensurate wage rate" is based on the worker's individual productivity, no matter how limited, in proportion to the wage and productivity of experienced workers who do not have disabilities that impact their productivity when performing essentially the same type, quality, and quantity of work in the geographic area from which the labor force of the community is drawn.

Employers shall make this poster available and display it where employees and the parents and guardians of workers with disabilities can readily see it.

WORKERS WITH DISABILITIES

Subminimum wages under section 13(a)(1) are not applicable unless a worker's disability actually impairs the worker's earning or productive capacity for the work being performed. The fact that a worker may have a disability is not in and of itself sufficient to warrant the payment of a subminimum wage.

For purposes of payment of commensurate wage rates under a contract, a worker with a disability is considered an individual whose earnings or productive capacity is impaired by a physical or mental disability, incurring those related to age or injury, for the work to be performed.

Disabilities which may affect productive capacity include an intellectual or developmental disability, psychiatric disability, a hearing or visual impairment, and certain other impairments. The following do not ordinarily affect productive capacity for purposes of paying commensurate wage rates: educational disabilities; chronic unemployment; receipt of welfare benefits; inadmissibilities at alien; juvenile delinquency; and correctional parole or probation.

WORKER NOTIFICATION

Each worker with a disability and, where appropriate, the parent or guardian of such worker shall be informed orally and in writing by the employer of the terms of the certificate under which such worker is employed.

KEY ELEMENTS OF COMMENSURATE WAGE RATES

- Non-disability worker standard - The objective is to provide a uniform wage rate for the production of products or services in which the productivity of workers with disabilities is measured.
- Prevailing wage rate - The wage paid to experienced workers who do not have disabilities that impair their productivity for the same or similar work and who are performing such work in the area. Most SCA contracts include a wage determination specifying the prevailing wage rate to be paid for SCA-covered work.
- Evaluation of the productivity of the worker with a disability - Determination of whether or not the productivity of the worker is comparable to that of workers without disabilities in terms of quality and quantity.

The wages of all workers paid commensurate wages must be reviewed, and adjusted as appropriate, as periodic intervals. As a minimum, the productivity of hourly-paid workers must be reviewed at least every six months and the prevailing wage survey must be conducted at least once every two years. In addition, prevailing wage rates must be reviewed and adjusted as appropriate, whenever there is a change in the job or a change in the prevailing wage rate, such as when the applicable state or federal minimum wage is increased.

WIOA

The Workforce Innovation and Opportunity Act of 2014 (WIOA) amended the Rehabilitation Act by adding section 511, which places limitations on the payment of subminimum wages to individuals with disabilities by mandating the completion of certain requirements prior to and during the payment of a subminimum wage.

EXECUTIVE ORDER 13658

Executive Order 13658, Establishing a Minimum Wage for Contract Workers, established a minimum wage that generally must be paid to workers performing on or in connection with a covered contract with the Federal Government. Workers covered by this Executive Order and those who are covered by the Executive Order must receive the full minimum wage required by the contract wage determination under section 18(c)(1) of the SCA.

FRINGE BENEFITS

Neither the FLSA nor the SCA nor the AGA has provisions requiring vacation, holiday, or sick pay nor other fringe benefits such as health insurance or pension plans. SCA wage determinations may require such fringe benefits (at or above the rates set forth in the contract wage determination under section 18(c)(1) of the SCA).

OVERTIME

Generally, if a worker is performing work subject to the FLSA, SCA, and/or PCA, that worker must be paid at least 1 1/2 times the regular rate of pay for all hours worked over 40 in a workweek.

CHILD LABOR

Minors younger than 16 years of age must be employed in accordance with the child labor provisions of the FLSA; his persons under 18 years of age may be employed in manufacturing or on a PCA contract.

PETITION PROCESS

Workers with disabilities paid at subminimum wages may petition the Administrator of the Wage and Hour Division of the Department of Labor for a review of their wage rates by an administrative law judge. No particular term of petition is required, except that it must be signed by the worker with a disability, or his parent or guardian and shall contain the name and address of the employer. Petitions should be mailed to: Administrator, Wage and Hour Division, U.S. Department of Labor, Room 5B202, 200 Constitution Avenue NW, Washington, DC 20210.

Fact Sheet #73: Break Time for Nursing Mothers under the FLSA

This fact sheet provides general information on the break time requirement for nursing mothers in the Patient Protection and Affordable Care Act (“PPACA”), which took effect when the PPACA was signed into law on March 23, 2010 (P.L. 111-148). This law amended Section 7 of the Fair Labor Standards Act (FLSA).

General Requirements

Employers are required to provide “reasonable break time for an employee to express breast milk for her nursing child for 1 year after the child’s birth each time such employee has need to express the milk.” Employers are also required to provide “a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.”

The FLSA requirement of break time for nursing mothers to express breast milk does not preempt State laws that provide greater protections to employees (for example, providing compensated break time, providing break time for exempt employees, or providing break time beyond 1 year after the child’s birth).

Time and Location of Breaks

Employers are required to provide a reasonable amount of break time to express milk as frequently as needed by the nursing mother. The frequency of breaks needed to express milk as well as the duration of each break will likely vary.

A bathroom, even if private, is not a permissible location under the Act. The location provided must be functional as a space for expressing breast milk. If the space is not dedicated to the nursing mother’s use, it must be available when needed in order to meet the statutory requirement. A space temporarily created or converted into a space for expressing milk or made available when needed by the nursing mother is sufficient provided that the space is shielded from view, and free from any intrusion from co-workers and the public.

Coverage and Compensation

Only employees who are not exempt from section 7, which includes the FLSA’s overtime pay requirements, are entitled to breaks to express milk. While employers are not required under the FLSA to provide breaks to nursing mothers who are exempt from the requirements of Section 7, they may be obligated to provide such breaks under State laws.
Employers with fewer than 50 employees are not subject to the FLSA break time requirement if compliance with the provision would impose an undue hardship. Whether compliance would be an undue hardship is determined by looking at the difficulty or expense of compliance for a specific employer in comparison to the size, financial resources, nature, and structure of the employer’s business. All employees who work for the covered employer, regardless of work site, are counted when determining whether this exemption may apply.

Employers are not required under the FLSA to compensate nursing mothers for breaks taken for the purpose of expressing milk. However, where employers already provide compensated breaks, an employee who uses that break time to express milk must be compensated in the same way that other employees are compensated for break time. In addition, the FLSA’s general requirement that the employee must be completely relieved from duty or else the time must be compensated as work time applies. See WHD Fact Sheet #22, Hours Worked under the FLSA.

FLSA Prohibitions on Retaliation

Section 15(a)(3) of the FLSA states that it is a violation for any person to “discharge or in any other manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this Act, or has testified or is about to testify in any such proceeding, or has served or is about to serve on an industry committee.”

Employees are protected regardless of whether the complaint is made orally or in writing. Complaints made to the Wage and Hour Division are protected, and most courts have ruled that internal complaints to an employer are also protected.

Any employee who is “discharged or in any other manner discriminated against” because, for instance, he or she has filed a complaint or cooperated in an investigation, may file a retaliation complaint with the Wage and Hour Division or may file a private cause of action seeking appropriate remedies including, but not limited to, employment, reinstatement, lost wages and an additional equal amount as liquidated damages.

Hoja de Datos #73: Madres Que Están Amamantando

La Ley Para la Protección del Paciente y la Atención a Precio Módico (PPACA-siglas en inglés), promulgada el 23 de marzo de 2010 (P.L. 111-148), enmendó la Sección 7 de la ley FLSA, para proveer exigencia de paro con tiempo para madres que están amamantando.

Requisitos Generales

Se le exige al empresario que provea tiempo para paros razonables para que una empleada pueda extraerse leche de los pechos para el/la bebé que esté amamantando durante un año después del nacimiento del/de la niño(a) cada vez que la empleada necesite extraerse leche. También se le exige al empresario que provea un sitio, que no sea un cuarto de baño, que esté oculto de la vista y libre de intrusión de parte de cotrabajadores y del público, el cual la empleada podría usar para extraerse leche.

La exigencia en la ley FLSA de tiempo para paros para que madres que estén amamantando se extraigan leche de los pechos no da derecho de prioridad sobre leyes estatales que provean más protecciones a las empleadas (por ejemplo, proveer tiempo con paros recompensados, proveer tiempo para paros para empleadas extensas o proveer tiempo para paros más allá de 1 año después del nacimiento de la criatura).

Hora y Lugar de saldos

Se exige que los empresarios provean una cantidad razonable de tiempo para paros para extraerse leche tan frecuentemente como lo necesite la madre que esté amamantando. La frecuencia en paros necesarios para extraerse leche al igual que la duración de cada paro probablemente variará.

Un cuarto de baño, aun cuando sea privado, no es un lugar permisible bajo la Ley. El sitio tiene que ser funcional como un espacio para extraerse leche de los pechos. Si el espacio no está destinado para el uso de una madre que amamanta, tiene que estar disponible cuando se necesita para poder cumplir con la exigencia estatutaria. Un espacio temporalmente creado o convertido en espacio para extraerse leche o puesto a la disposición según la necesidad de la madre que está amamantando es suficiente siempre y cuando el espacio no esté a la vista y que esté libre de cualquier intrusión por parte de cotrabajadores y del público.

La cobertura e indemnización

Sólo empleadas que no estén exentas de las exigencias del pago de sobretiempo bajo la ley FLSA tienen derecho a paros para extraerse leche. A pesar de que no se les exige a los empresarios bajo la ley FLSA que provean paros para madres que estén amamantando y que están exentas de las exigencias sobre el pago de sobretiempo de la Sección 7, leyes estatales podrían exigirles que provean dichos paros.

Empresarios con menos de 50 empleados no están sujetos a la exigencia sobre tiempo para paros bajo la ley FLSA si el cumplimiento con la provisión constituiría una penuria excesiva. Para establecer si el cumplimiento constituiría una penuria excesiva, se tiene que determinar viendo la dificultad o el gasto que conlleva el cumplimiento para un empresario específico en comparación con el tamaño, los recursos financieros, la naturaleza y la estructura del negocio del empresario. Todas las empleadas que trabajan
para el empresario bajo el alcance de la ley, independientemente del sitio de trabajo, se cuentan cuando se determina si la exención puede aplicarse.

Bajo la ley FLSA no se exige que el empresario compense a madres que amamantan por paros tomados con el propósito de extraerse leche. No obstante, si el empresario ya provee paros compensados, la empleada que use el tiempo de paro para extraerse leche tiene que ser compensada de la misma forma que se compense a otros empleados que toman tiempo para paros. Además, la exigencia general de la ley FLSA de que se tiene que relevar completamente de cargos al empleado o si no se tiene que compensar el tiempo como tiempo de trabajo según la aplicación.

Reporting Abuse and Neglect

The law requires any person who believes that a child or person 65 years or older or an adult with disabilities is being abused, neglected, or exploited to report the circumstances to the Texas Department of Family and Protective Services (DFPS) Abuse Hotline. A person making a report is immune from civil or criminal liability, and the name of the person making the report is kept confidential. Any person who suspects abuse and does not report it can be held liable for a Class-A misdemeanor.

Additional reporting requirements apply to teachers and other professionals. A professional must report suspected abuse or neglect of a child within 48 hours of suspecting the child has been or may be abused or neglected. (TFC 261.101 (b)*
A professional cannot delegate this duty to another person to make the report. Reporting suspected child abuse makes it possible to protect the child and for a family to get help.

For life threatening or emergency situations,
call your local law enforcement agency or 911 immediately, and then make a report to DFPS.

There are two options for reporting abuse, neglect and exploitation to the Texas Department of Family and Protective Services.

The 50th community college in the state of Texas, and the only to have ever been legislatively mandated, South Texas College was established by Senate Bill 251 to service Hidalgo and Starr Counties on September 1, 1993. Formerly South Texas Community College, the law, signed by Governor Ann Richards on June 1, 1993, converted the McAllen Extension Center of Texas State Technical College into a comprehensive community college initially serving the citizens of Hidalgo and Starr Counties.

STC fills the many educational needs of the community, which until now, was the largest geographic region in Texas not served by a community college. More than 70% of the student population are the first in their family to attend college, more than 95% are Hispanic and 60% of our stakeholders believe there is a strong support system for our students.

To that end, the college offers more than 114 degree and certificate program options, including associate degrees in a variety of art, science, technology and allied health fields of study. The college also offers 24 online associate degrees and certificates options through South Texas College Online. Collaborating with over 23 school districts and 70 high school sites throughout Hidalgo and Starr Counties and with the over 60 articulation agreements in place with colleges across the county, opportunities abound.

The College has grown from one campus to five campuses, including three in McAllen (Pecan Campus, Technology Campus, and Dr. Ramiro R. Casso Nursing and Allied Health Campus), the Mid-Valley Campus located in Weslaco, and the Starr County Campus located in Rio Grande City. Further enhancing STCs presence, the college’s sixth state-of-the art campus in August 2011. Although the new virtual campus doesn’t feature beautiful green spaces or ambitious new architecture, what it does offer is something equally exciting and fitting for a new digital age.

Most recently, 2015 saw the expansion of services to the Delta Area, beginning in Edcouch Elsa. With teaching centers in Pharr and La Joya, South Texas College is the region’s largest higher education institution!

Since its inception in 1993, South Texas College has grown from 1,000 to more than 31,000 students, and to a faculty and staff of 2,663.

Federal Copyright Statutes

College personnel will adhere to the Copyright Act of 1976 (PL94-553, as codified and amended) relating to the use and reproduction of copyrighted materials.

BACKGROUND

Copyrighted materials may not be used without the copyright holder’s permission, unless the use falls under a legal exception. Exceptions permitting the use, subject to certain conditions, of copyrighted works without permission of the copyright holder include allowances for the reproduction of copies for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom or library use), scholarship or research.

The broadest exception to copyright is the “fair use” doctrine (17 USC §107). The doctrine of “fair use” encompasses four conditions, which, when considered together, must favor the intended use if duplication of copyrighted material is to fall under the “fair use” doctrine:

1) The purpose and character of the use: The use must be for such purposes as teaching or scholarship and must be nonprofit. The use must be one time only and for a single class. Repeated use and anthologizing are not allowed without copyright permission.
2) The nature of the copyrighted work: A creative work is protected, but not a statement of facts. A copy of the article might be accepted as fair use while copying a workbook for use in class would not be accepted because a workbook is considered a consumable item.

3) The amount and substantiality of the portion used in relation to the copyrighted work as a whole: No more than is needed should be used. For instance, it is often recommended not to copy more than 10 percent or 1,000 words of text (whichever is less) of prose. However, even if a small amount of a work is used, the portion copied may be deemed an infringement if it is considered the heart of the work.

4) The effect of the use upon the potential market for the copyrighted work: Would the proposed use take the place of a copy available for sale of lease on the market? If resulting economic loss can be shown, making a single copy might be an infringement. Each instance of reproduction should be evaluated on its own merits in relation to the “fair use” doctrine.

The guidelines offered by the United States Copyright Office and as set forth in College procedures in making single copies for teachers, multiple copies for teachers, multiple copies for classroom or library use, educational use of music, or off-air recording of programs (whether recorded at the College or elsewhere), apply if permission of the copyright holder has not been obtained. Employees should be familiar with the proviso of the copyright law (17 USC §107 and §108) which prohibits systematic reproduction of copyrighted materials. The guidelines governing fair use are understood to be minimum compliance of the copyright law.

In the case of computer software; generally, only ONE archival copy of a program can be made, with either that copy or the original copy being the only one in use. Use is restricted to a single machine at any given time. Further restrictions or rights are granted within the license agreement associated with the software. In the absence of a licensing agreement, the general rules prevail. Copyright law makes no provision for multiple copies of computer software for classroom use.

Items received must have a current or immediate future use and the cost of operation and maintenance for the gift(s) must be within current budgeted funding levels.

Gifts and bequests have provided the College with a valuable source of instructional aids and funds for the establishment of scholarships and loans. With the knowledge of the appropriate vice president and/or President, campus personnel are encouraged to solicit and negotiate gifts having usefulness to the College.    business judgment.

4. Take any action without authority that binds the College to a contractual obligation;

   Any employee, who individually obligates the credit of the College without adhering to the
   procedures outlined in the purchasing policies of the College, shall be individually responsible for
   payment to the vendor or return of the item.

5. Make false statement about his/her authority to conduct business for the College or make any
   false statement with intent to deceive;

6. Participate in transactions that take personal advantage of opportunities created by the employee’s
   relationship with the College;

7. Disclose confidential information from a vendor’s proposal to another vendor so as to give an
   advantage to one vendor over another in a potential contract with the College.

**Political Advertising**

*Policy 5920 (11/09/95)*

No officer or employee of the College shall expend or authorize the expenditure of College funds for the
purpose of political advertising. Funds may be expended for advertising which describes the factual
reasons for a measure and which does not advocate the passage or defeat of such measure.

**Self-Reporting of Criminal Conduct**

*Policy 4112 (12/15/15)*

Reporting Suspected or Known Fraud, Abuse and Other Improprieties

Policy 4204 (10/24/05)

South Texas College is committed to creating an environment where fraud, abuse and other improprieties are not tolerated. The College maintains written guidelines for reporting and investigating suspected or known fraud, abuse and other improprieties. Fraud, abuse and other improprieties shall be defined as a deliberate act or failure to act with the intention of obtaining an unauthorized benefit, destruction of property or otherwise fraudulent behavior or the use of one’s occupation for personal enrichment through the deliberate misuse or misapplication of the College’s resources or assets.

These guidelines apply to all College employees. The guidelines establish the procedures and responsibilities for reporting and investigating potential incidents, taking remedial actions and reporting evidence to the appropriate authorities. The guidelines require that employees act in good faith when reporting incidents.

Reports of incidents of fraud, abuse and other improprieties and investigations thereto, shall be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

The President or designee has the authority and responsibility, with participation of the appropriate committee, to develop and administer the guidelines.
Guidelines for Reporting and Investigating Suspected or Known Fraud, Waste, Abuse and Other Improprieties

1. Introduction

South Texas College (STC) is committed to creating an environment where fraud, waste, abuse and other improprieties are not tolerated. All STC employees are responsible for complying with the board policies that govern their conduct and ensuring that all resources entrusted to them are used ethically, prudently, and for their designated purpose.

In addition, to ensure that STC resources are used appropriately, managers and supervisors are responsible for educating employees about proper conduct, creating an environment that deters dishonesty and maintaining internal controls that provide reasonable assurance of achieving management objectives and detecting dishonest acts. Furthermore, managers and supervisors must be cognizant of the risks and exposures inherent in their area of responsibility and be aware of symptoms of fraud, abuse and other improprieties, should they occur. This procedure establishes a uniform method for reporting fraud, abuse and other improprieties against the College.

2. Purpose

These guidelines establish the procedures and responsibilities for reporting and investigating potential incidents of fraud, waste, abuse and other improprieties, taking remedial actions, and reporting evidence to the appropriate authorities.

Acts of fraud, waste or abuse impact the resources of the College and may occur through an unintentional act or by a deliberate action. These categories differ from each other and may be defined as follow:

**Fraud** – Any intentional deception designed to unlawfully deprive the College of something of value or to secure from the College for an individual a benefit privilege, allowance, or consideration to which he or she is not entitled.

**Waste** – The extravagant, careless or needless expenditure of College funds, incurring of unnecessary expenses, mismanagement of college resources or property or the consumption of College property that results from deficient practices, systems, controls or decisions.

**Abuse** – Intentional, wrongful, or improper use or destruction of College resources. Abuse can include the excessive or improper use of an employee or official’s position in a manner other than its rightful or legal use.

These guidelines do not address offenses against the person or personal property of faculty, staff, students, or visitors of the College. This procedure does not apply to allegations of academic misconduct or to allegations of discrimination or harassment.
3. General

This procedure applies to all STC employees. It also requires employees to report the actions of other parties that may result in financial losses or possible criminal conduct affecting STC resources or information. These other parties include (1) students; (2) contractors and vendors; (3) organizations affiliated with STC, and (4) any other person or organization that uses STC resources or information, with or without authorization.

a. The College will pursue legal remedies against persons or entities involved in acts of fraud, abuse or other improprieties against the College. Remedies include, but are not limited to, terminating employment, requiring restitution, and/or forwarding of information regarding suspected fraud to the appropriate authorities for criminal prosecution. All of the general and criminal laws of the State of Texas are in full force and effect at all state institutions of higher education (Texas Education Code, Sec. 51.201). This procedure is designed to inform College employees of their responsibility for detecting and reporting suspected, fraud, abuse and other improprieties.

b. Employees who, in good faith, report unlawful activity are protected by the Texas Whistleblower Act (Texas Government Code, Chapter 554) against any retaliation by the College for making such a report. The College, per Board Policy 4209, complies with the Whistleblower Act.

c. Employees are required to cooperate with any police or audit investigation, and they may be requested to keep their knowledge of the investigation confidential.

d. Employees should immediately contact the Operations and Maintenance Department if they observe an unlawful act in progress, such as theft or destruction of property, or if they are certain an unlawful act has been committed.

4. Examples of Acts of Fraud, Waste, Abuse and Other Improprieties

Incidents of fraud, waste, abuse and other improprieties generally involve a deliberate act or failure to act with the intention of obtaining an unauthorized benefit, destruction of property or otherwise fraudulent behavior. The Association of Certified Fraud Examiners (ACFE) defines “fraud” as: “The use of one’s occupation for personal enrichment through the deliberate misuse of misapplication of the employing organization’s resources or assets” (Report to the Nation on Occupational Fraud and Abuse, 1999). In that document, the ACFE further explains fraud as follows: Occupational fraud and abuse encompasses a wide variety of conduct by employees, managers, and principals or organizations ranging from pilferage to sophisticated investment swindles. Common violations include asset misappropriation, corruption, false statements, false overtime, petty theft and pilferage, use of company property for personal benefits, and payroll and sick time abuses. The key is that the activity:

- Is clandestine
- Violates the employee’s fiduciary duties to the organization
- Is committed to the purpose of direct or indirect financial benefit to the employee
- Costs the employing organizations assets, revenues, or reserves

Acts of fraud, waste, abuse or other improprieties include, but are not limited to the following:
5. **Employee Responsibilities**

An employee with a reasonable basis for believing an act of fraud, waste, abuse or other improprieties have occurred has a responsibility to report the suspected act in a timely manner as follows:

a. Employees should first discuss their concern with their immediate supervisor or manager. The employee should report in writing the following:
   - Department where it is occurring
   - What is occurring
   - When it occurred
   - Who is involved
   - How is it occurring
b. If the employee suspects that the supervisor has participated in or condoned the act, the employee should report the matter to the next highest level of supervisor or management or directly to the Director of Human Resources.

c. If the employee notifies his/her supervisor (or higher authority), the supervisor (or higher authority) must immediately direct the report to the Director of Human Resources.

d. The Director of Human Resources must immediately direct the report to the appropriate Vice President and President.

e. If the employee is uncomfortable speaking with his or her supervisor, the employee may also report acts of fraud, waste, abuse and other improprieties by calling the Anonymous Fraud and Ethics Hotline at 1-800-482-5158. This hotline is staged by a third-party company called The Network. This service is available 24 hours a day, 7 days a week, 365 days a year and allows each person to communicate concerns anonymously. An Interview Specialist documents concerns, assigns a personal reference number for follow up purposes and relays concerns to STC. Employees may also call the State Auditor’s Office Fraud, Waste, and/or Abuse Hotline at 1-800-TX-AUDIT. Employees may choose to remain anonymous.

f. The reporting employee will refrain from further examination of the incident, confrontation of the alleged violator, or further discussion of the incident with anyone other than the reporting employee’s supervisor, the President (or designee), the Director of Human Resources or the Internal Auditor and/or law enforcement.

6. Restitution

In the event of a loss, the Vice President for Finance and Administrative Services (VPFAS), or designee, will notify the insurance carrier to facilitate all insurance and fidelity bond claims. The President, or designee, may ask the District Attorney’s office to seek restitution. The insurance company may also interact directly with the District Attorney’s office on matters of restitution where the coverage applies. In the event the criminal court does not provide for restitution, the VPFAS may request the Legal Counsel to initiate a civil action to recover the loss.

Appropriate action will be taken to recover assets lost as a result of an act of fraud, abuse or other improprieties. Full recovery will constitute the value of benefits gained by an employee or beneficiary other than STC or the documented loss, whichever is larger, and, if appropriate, the cost of investigation, recovery, or other associated costs. All reasonable means, consistent with state law, will be sought to recover losses, including voluntary repayments, withholding from salary and wages, insurance proceeds when applicable, and legal action when necessary. The STC Legal Counsel shall determine whether the evidence available and the cost of recovery justify legal action to recover losses.

7. Internal Control Deficiencies

The Internal Auditor, VPFAS and/or Comptroller shall consider whether evidence of the possible acts of fraud, waste, abuse or other improprieties reveals areas or practices in college internal controls needing modification. The Internal Auditor may recommend corrective actions to the President and the Board of Trustees Finance and Human Resources Committee. The Internal Auditor shall follow-up on its recommendations.
8. **Employee Disciplinary Actions**

Employees found to have participated in acts of fraud, waste, abuse or other improprieties, or any employee who hinders a fraud inquiry or investigation by making a false or misleading statement, or any employee who has knowledge of a dishonest act, but fails to report it according to this procedure shall be subject to disciplinary action. The appropriate official shall determine whether employee disciplinary action is warranted.

9. **Acting on Evidence of Fraud**

It is the responsibility of the College to investigate acts of fraud, waste, abuse and other improprieties and to act on evidence of fraud. The Director of Human Resources should address all reported incidents. The Director of Human Resources will gather facts specific to the case. After facts are gathered the Director of Human Resources and the appropriate officials engaged to review the facts will discuss the facts and ascertain whether or not evidence of fraud exists. If evidence of fraud does not exist, the matter will be considered administrative and the Director of Human Resources will conduct an objective review of the facts relating to the incident and will prepare a written report to the President. The issue will be considered closed.

If evidence of fraud exists, the Director of Human Resources will conduct an examination of the facts relating to the incident.

a. During an investigation, it may be deemed advisable that an employee be temporarily reassigned, relieved of duties, relieved of authority to expend College funds, and/or removed from the scene of the investigation pending the outcome of the investigation. The purpose of such action would be to safeguard the College’s assets or facilitate the investigation. Should the President, or designee, legal counsel and/or law enforcement concur that such action is necessary, the employee’s immediate supervisor and appropriate Vice President will work with the Director of Human Resources to determine the appropriate action.

b. The Director of Human Resources will engage experts, as necessary, to develop accurate and reliable evidence.

c. The Director of Human Resources will consult with Legal Counsel, President, or designee, VPFAS, Internal Auditor, appropriate law enforcement and others as necessary, to determine whether or not fraud (i.e., criminal violation) has occurred, based on evidence.

d. If it is determined that fraud has occurred, the Director of Human Resources will do the following:

i. Refer all evidence to appropriate law enforcement agency and will assist law enforcement, as requested, as well as prepare a written report containing scope of work, findings, and recommendations.

ii. Notify the VPFAS. The VPFAS, or designee, will notify the insurance carrier, if required by the terms and conditions of the insurance policy.

e. In all cases, regardless of their outcomes, the Director of Human Resources will prepare a report containing scope of work, findings, and recommendations.
10. Employee Training and Acknowledgement

Training related to reporting and investigating suspected or known fraud, waste, abuse, and other improprieties is provided to all College employees on an annual basis. Training is scheduled and conducted by the Business Office and the Office of Human Resources. Employees are required to confirm that they have received a copy of the guidelines and that they understand the guidelines by submitting to the Office of Human Resources a signed acknowledgement form on an annual basis.

11. Acting on Good Faith

Anyone reporting an incident of fraud, waste, abuse or other improprieties, must act in good faith and have reasonable grounds for believing the information disclosed is valid. The act of making allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including dismissal from the volunteer position or termination of employment.

12. Confidentiality

Reports of incidents of fraud, waste, abuse, or other improprieties and investigation pertaining thereto, shall be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

Sexual violence is a form of sexual harassment or sexual assault that includes physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent.

**Consent:** Consent is knowing, voluntary, and clear permission, by word or action, to engage in mutually agreed upon sexual activity. It is the responsibility of each party to make certain that the other has consented before engaging in the activity. Consent can be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated and the activity should cease immediately or within a reasonable time. Resistance to engaging in sexual activity is a clear demonstration of non-consent as is knowing that the other person is incapacitated and unable to provide consent.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous dating relationship is not sufficient to constitute consent. In Texas, the age of consent to engage in sexual activity is 17 years of age. Sexual activity with someone without clear consent constitutes a violation of this policy.

**Incapacitation:** Incapacitation means a mental state where a person lacks the capacity to give knowing/informed consent. Intoxication of the individual alleged to have violated this policy is not a defense.

The prohibition on consensual relationships shall apply for the duration of the supervisor-subordinate or instructor-student relationship and for a period of one calendar year after such relationship has ended.

VIII. Victim’s Rights Statement

An offense is a Class B misdemeanor, except that the offense is a Class A misdemeanor if it is shown on the trial of the offense that the actor intended to conceal the incident that the actor was required to report. If it is determined, in accordance with the College’s disciplinary procedure, that an employee committed an offense for failing to make a report or for making a false report, the employee’s employment with the College shall be terminated.

E. Exceptions to Mandatory Reporting – Designation of Confidential Employees

In an effort to encourage employees and students to report violations of this policy and to receive confidential assistance and supportive services without having to disclose their identity, the College designates the following employees as “Confidential Employees”:

1. Counselor
2. Ombuds

Any student or employee who is a victim of, or a witness to an alleged incident of sexual harassment, sexual assault, dating violence, or stalking who desires to report the alleged incident but also desires to preserve the confidentiality of his or her identity and of the alleged incident and not have the incident investigated by the Title IX Coordinator or a Deputy Title IX Coordinator should report the alleged incident to a Confidential Employee. A designated Confidential Employee may not disclose any communication made by a student unless the student consents to the disclosure or the employee is required to make the disclosure under state or federal law. Reports made to a Confidential Employee shall be forwarded to the Title IX Coordinator or a Deputy Title IX Coordinator in a manner that does not disclose the reporting student’s identity and only discloses information which the College needs to collect on the incident for reporting and statistical purposes.

A “Confidential Employee” is required to inform reporting employees and students that:

- The confidentiality privilege belongs to the student and not to the Confidential Employee; therefore, only the student may waive the privilege.
- The confidentiality privilege is not absolute, it applies only with respect to making reports to the Title IX Coordinator or a Deputy Title IX Coordinator;

- In a criminal investigation arising from a complaint of sexual assault, domestic violence, dating violence, or stalking, a Confidential Employee may have a legal obligation to break the confidentiality and report a criminal act or testify in a civil or criminal proceeding if compelled to do so by a court or other tribunal of competent jurisdiction.
- Discussing any matter concerning sexual harassment or prohibited behavior with a “confidential employee” may delay an investigation into the matter but will not preclude a student or employee from, subsequently, filing a formal complaint with a mandatory reporting employee or the Title IX Coordinator or a Deputy Title IX Coordinator.
- The employee or student has a right to file a formal complaint with the Title IX Coordinator or a Deputy Title IX Coordinator;
- The employee or student has a right to file a criminal complaint with campus or local law enforcement authorities,
- The College has available campus resources for counseling, medical, and academic support,

Such a report may be made at any time (24/7) and may be made anonymously. There is no time limit to file reports but the actions the College can take to resolve complaints may be limited if significant time has passed.

However, the medical provider must provide aggregate data or other nonidentifying information regarding those incidents to the Title IX Coordinator.

The Title IX Coordinator or a Deputy Title IX Coordinator shall evaluate each Formal Complaint to determine if the complaint alleges Sexual Harassment or Prohibited Behavior.

Formal Complaints alleging Sexual Harassment or Prohibited Behavior will be coordinated by the Title IX Coordinator or a Deputy Title IX Coordinator. Formal Complaints will be investigated by investigators, resolved through Informal Resolution by persons designated to facilitate an informal resolution process, if agreed to by all parties, in writing, or resolved by decision-makers after a Live Hearing incorporating examination of witnesses and cross-examination of the parties by the parties’ respective Advisors. In addition to the Title IX Coordinator or a Deputy Title IX Coordinator, investigators, decision-makers, and persons designated to facilitate an informal resolution process as required by §106.45(iii) of the Title IX implementing regulations to include training on the definition of Sexual Harassment, the scope of the College's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

2. Formal, Complaint Signed by Complainant or Title IX Coordinator Required

In cases involving allegations of Sexual Harassment or Prohibited Behavior, a Formal Complaint signed by the Complainant is required for an Informal Resolution or to begin an investigation leading to a Live Hearing. A Complainant may withdraw a complaint at any time.

In Title IX cases where the College receives an anonymous report, or where a Complainant withdraws a Formal Complaint, or where a Complainant refuses to further participate in the process, the Title IX Coordinator may sign a formal complaint commencing the grievance resolution process in order to ensure that matters which pose a threat to the educational, employment, or other opportunities provided by the College, are addressed. If a Complainant alleging to be a victim of an incident of sexual harassment, sexual assault, dating violence, family violence, stalking, or retaliation reported to the Title IX Coordinator requests that the alleged incident not be investigated, the Title IX Coordinator may have the alleged incident investigated in a manner that complies with the confidentiality requirements of this policy. In determining whether to have the alleged incident investigated, the Title IX Coordinator or a Deputy Title IX Coordinator shall consider:

(1) the seriousness of the alleged incident;

(2) whether the Title IX Coordinator or a Deputy Title IX Coordinator has received other reports of sexual harassment, sexual assault, dating violence, stalking, or retaliation committed by the alleged Respondent(s);

(3) whether the alleged incident poses a risk of harm to others; and

(4) any other factors the Title IX Coordinator or a Deputy Title IX Coordinator determines relevant.

If the Title IX Coordinator decides not to have an alleged incident of sexual harassment, sexual assault, dating violence, stalking or retaliation investigated based on the Complainant's request not to investigate, the Title IX Coordinator shall take any steps deemed necessary to protect the health and safety of the College community in relation to the alleged incident. The Title IX Coordinator or a Deputy Title IX Coordinator shall inform an alleged victim of an incident of sexual harassment, sexual assault, dating violence, stalking, or retaliation who requests that the Title IX Coordinator or a Deputy Title IX Coordinator not to investigate the alleged incident of the whether or not the alleged incident will be investigated.
3. Optional Risk Assessment/Emergency Removal

Upon receiving a report of conduct that may violate Title IX or Section 51.281, the Title IX Coordinator or Deputy Title IX Coordinator may refer a party for an individualized risk assessment by the College's Behavioral Intervention Team (BIT). The BIT may act to remove a student Respondent entirely or partially from its education program or activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator or a Deputy Title IX Coordinator in conjunction with the Behavioral Intervention Team (also known as BIT/BAT/TAT/CARE, etc.) using its standard objective violence risk assessment procedures.

In all cases in which an emergency removal is imposed, the student Respondent will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When the student Respondent does not timely request this, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator or a Deputy Title IX Coordinator determines it is equitable to do so. There is no appeal process for emergency removal decisions.

A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.

The Title IX Coordinator or a Deputy Title IX Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration of the emergency removal. Violation of an emergency removal under this policy will be grounds for discipline within the student or employee conduct processes, which may include expulsion or termination.

4. Supportive Measures

Alleged victims of Sexual Harassment or of Prohibited Behavior will be offered Supportive Measures before a Formal Complaint or during the pendency of the grievance resolution process, including, but not limited to: protection from retaliation, interim no-contact orders, academic support (such as dropping courses without academic penalty), alternative work arrangements, campus safety escorts, referrals to counseling, community-based service providers, or any other action deemed appropriate. To the greatest extent practicable, referrals to counseling will be offered by a counselor who does not provide counseling to any other person involved in the incident. The College will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the College's ability to provide those supportive measures. The College will act to ensure as minimal an academic impact on the parties as possible. The College will implement measures in a way that does not unreasonably burden the other party.

These actions may include, but are not limited to:
• Referral to counseling, medical, and/or other healthcare services
• Referral to community-based service providers
• Student financial aid counseling
• Altering work arrangements for employees or student-employees
• Safety planning
• Providing campus safety escorts
• Providing transportation accommodations
• Implementing contact limitations (no contact orders) between the parties
• Academic support or other course/program-related adjustments
• Timely warnings
• Class schedule modifications, withdrawals, or leaves of absence
• Increased security and monitoring of certain areas of the campus

5. Provision of Advisors

Complainants and Respondents have the right to an Advisor of their choice to assist them in proceedings involving a Formal Complaint alleging Sexual Harassment or Prohibited Behavior. An Advisor may be an attorney, a faculty member, a staff member, a family member, a friend or any other support person. The College may establish restrictions regarding the extent to which the Advisor may participate in the proceedings, as long as the restrictions apply equally to both parties. A Complainant or Respondent who desires more than one Advisor must make such a request as early as possible within the resolution process and if more than one Advisor is allowed for one party, the other party will be allowed the same number of Advisors. No more than two Advisors per party will be allowed unless justification in writing is provided to the College. Parties may choose not to use an advisor in any stage of the grievance resolution process except that parties must have an Advisor who must conduct cross-examination of other witnesses if a Live Hearing is conducted. If a party does not have an Advisor present at the Live Hearing, the Title IX Coordinator or a Deputy Title IX Coordinator will appoint an advisor who will conduct the cross-examination on behalf of that party.

Advisors must be willing and available to serve as an advisor. Advisors will be provided information about the grievance resolution process. Advisors who are otherwise Mandatory Reporters will be temporarily exempt from mandatory reporting solely for the matter in which they serve as an Advisor.

6. Notice of Allegations and Investigation

Before commencement of the grievance resolution process of a Formal Complaint alleging Sexual Harassment or Prohibited Behavior, notice of the allegations must be provided to an alleged respondent for a Title IX matter. Such notice may not be provided if the Complainant is only seeking supportive measures without the filing of a Formal Complaint or if a Complainant withdraws their complaint prior to commencement of the grievance resolution process with no impact upon the alleged Respondent.

The grievance resolution process for Formal Complaints alleging Sexual Harassment or Prohibited Behavior, will be in accordance with grievance procedure set forth in 34 C.F.R.§106.45.

The grievance resolution process for complaints alleging sex discrimination other than Sexual Harassment or Prohibited Behavior, will be the non-adversarial procedure set forth in Policy 4904.

7. Informal Resolution

Upon receipt of a Formal Complaint alleging Sexual Harassment or Prohibited Behavior, or any time after receiving a report of conduct in violation of this policy, the Title IX Coordinator or a Deputy Title IX Coordinator may facilitate an informal resolution amenable to all parties involved as follows:

1. By providing supportive measures to the Complainant that remedy the situation;
2. When the Respondent agrees to responsibility for a violation and accepts a sanction amenable to all parties; or
3. When the parties agree to a mediation.
The Complainant and the Respondent must voluntarily agree to the informal resolution in writing and no party will be pressured to participate. The parties may choose to stop the Informal Resolution process at any time and request another form of resolution. However, a Live Hearing is required for complaints alleging Sexual Harassment and other Prohibited Behavior if an Informal Resolution cannot be reached.

8. Investigations

Investigations will be conducted in accordance with all applicable laws, regulations and policies. Formal Complaints alleging Sexual Harassment or Prohibited Behavior will be investigated by investigators who have received training in compliance with Title IX regulations. Investigations may involve interviews with parties or witnesses; obtaining available, relevant evidence; or identifying sources of expert information, as necessary.

A 10-day review period will be provided to Complainants and Respondents to review a draft investigation report including relevant evidence and for the opportunity to provide additional feedback, evidence, or witnesses. After this 10-day period, the investigator will update the investigative report, if necessary, and the Title IX Coordinator or Deputy Title IX Coordinator will provide the parties with a final investigative report at least ten (10) days prior to a Live Hearing.

9. Live Hearings

After an investigation is complete and if an Informal Resolution does not resolve the matter, the case will be referred for a Live Hearing.

a. Policy applicable to all Hearings

Hearings conducted under this policy will be heard by a Hearing Officer or a Panel of three (3) decision makers determined at the discretion of the Title IX Coordinator or a Deputy Title IX Coordinator. All Live Hearings are subject to the preponderance of the evidence standard of proof.

b. Formal, Live Hearings for Title IX and Chapter 51.281 Complaint

A formal live hearing will occur no less than ten (10) business days after a final investigative report is issued to the parties, unless all parties, advisors and staff involved agree to an expedited hearing. Hearings must be live and must be recorded. The Hearing Officer or Panel will make a determination on all of the evidence available.

More information about the procedure for all hearings is available by contacting the Title IX Coordinator or a Deputy Title IX Coordinator or here: https://www.southtexascollege.edu/about/pdf/Complaint_and_Grievance_Procedures.pdf

10. Notice of Outcome and Sanctions

a. For Title IX Hearings

Once a hearing has been conducted, the Hearing Officer or Panel members will deliberate and issue a finding of responsibility for each alleged violation in a written deliberation statement that will include the determination, rationale, the evidence relied upon in support of the determination, any evidence not relied upon, credibility assessments and recommendations for sanctions.

The written deliberation statement will then be shared with the Title IX Coordinator or a Deputy Title IX Coordinator who will work with the Hearing Office to prepare a Notice of Outcome, including any applicable sanctions, to be provided to the Parties.
b. For non-Title IX Hearings

The Hearing Officer or Panel will make a determination on all of the evidence available. The Hearing Officer or Panel will deliberate and issue a finding of responsibility for each alleged violation, rationale for the decision, and recommended sanctions. Either the Hearing Officer finalize the Notice of Outcome to be issued to the Parties.

c. Disciplinary Actions and Sanctions

11. Promptness of Resolution

All allegations of Sexual Harassment or Prohibited Behavior will be acted upon promptly by the Title IX Coordinator or a Deputy Title IX Coordinator after the Title IX Coordinator or a Deputy Title IX Coordinator has actual knowledge of the allegation or a Formal Complaint has been filed with the Title IX Coordinator or a Deputy Title IX Coordinator. Complaints can take 60 to 90 business days to resolve, typically. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but the Title IX Coordinator or a Deputy Title IX Coordinator will respond promptly in a manner that is not deliberately indifferent. Any time the general timeframes for resolution will be delayed, the Title IX Coordinator or a Deputy Title IX Coordinator will provide written notice to the victim/Complainant and Respondent of the delay, the cause of the delay, and an estimate of the anticipated additional time that will be needed as a result of the delay.

12. Appeals

Parties may appeal the Notice of Outcome for any type of hearing within ten (10) business days of receipt of the Notice of Outcome. Appeals are limited to the following bases:

1. Procedural irregularity;

2. New evidence that was not reasonably available at the time the determination was made; or

3. A conflict of interest or bias on the part of any person involved with the administration of the hearing.

13. Prevention and Outreach Program

The College shall develop and implement a comprehensive prevention and outreach program on sexual harassment, sexual assault, dating violence, and stalking which:

(1) Addresses a range of strategies to prevent sexual harassment, sexual assault, dating violence, and stalking, including a victim empowerment program, a public awareness campaign, primary prevention, bystander intervention, and risk reduction; and

15. Amnesty for Students Reporting Certain Incidents

The College may not take any disciplinary action against a student enrolled at the College who in good faith reports to the College being the victim of, or a witness to, an incident of sexual harassment, sexual assault, dating violence, or stalking for a violation by the student of the College's code of conduct occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the institution's disciplinary process regarding the incident, if any.

The College may investigate to determine whether a report of an incident of Sexual harassment, sexual assault, dating violence, or stalking was made in good faith.

A determination that a student is entitled to amnesty under this section is final and may not be revoked.

This subsection does not apply to a student who reports the student's own commission or assistance in the commission of sexual harassment, sexual assault, dating violence, domestic violence, stalking or retaliation.

This section may not be construed to limit the College's ability to provide amnesty from application of the College's institution's policies in circumstances not described by this subsection.

For employees required to drive in the performance of their routine duties, failure to maintain a valid Texas license and insurability under the STC Liability Insurance Program may be grounds for termination of employment with STC.

In order to be authorized to drive a South Texas College vehicle or drive any vehicle, whether owned by the College or on behalf of the College, the employee must receive prior authorization and must agree to a Motor Vehicle Department license check. All new employees may be subject to a driver license check as a condition of hiring. Authorization will be evaluated per the following guidelines:

The Motor Vehicle Record (MVR) will be evaluated according to the following criteria:

1. The maximum of moving violations and/or accidents allowed in a 3-year period will be 3. (Example: 1 speeding, 2 accidents; (b) 3 speeding; (c) 1 accident, 1 run red light, and 1 speeding; etc.)
2. No major moving violations will be allowed, such as driving while intoxicated, hit and run, or any felony or manslaughter involving the use of a motor vehicle. Any one of these would result in revocation of authorization and make the employee ineligible to drive a College vehicle.

3. The Administration may review violations and, where appropriate, based on the seriousness and circumstances of the violations, may revoke or suspend authorization.

The MVR will be obtained on an annual basis and be re-evaluated according to the same standards.

All employees who are on the authorized driving list shall notify the Administration of any moving violation within one business day of the conviction or within one business day of any failure to appear notice relating to any citation for a moving violation. Failure to report a violation shall be grounds for disciplinary action.

Because a combination of 3 moving violations and/or accidents in a 3 year period is the maximum allowed by the College, any employee who reaches 2 such violations or accidents will result in removal of driving privileges. (Non-preventable accidents do not count. National Safety Council Rule on determining preventable accidents will apply.)

An employee under suspension will remain under suspension until the MVR is again within the College standards. This will occur when violations drop off the MVR at the end of a year. An employee on probation or suspension will have the MVR checked every 6 months. In those cases where driving is an integral duty of the employee, a violation of this policy may result in disciplinary action, including dismissal.

Grant funded employees, not employed under a letter of appointment, are employed on an as needed, non-contractual, at-will basis with no expectation of continued employment or property rights beyond the assignment, or timeline of the grant.

All non-faculty employees whose positions fall within the Full Time Temporary category, including Professional/Technical Support, Classified, Direct Wage, or Work-study job classifications are employed on a non-contractual, at-will basis with no expectation of continued employment or property rights beyond the assignment term.

All full-time regular faculty and non-faculty employees are employees whose positions are included in the Staffing Plan adopted by the Board of Trustees in conjunction with the College’s fiscal year budget.
All new hires are considered to be officially employed after they have completed the required hiring documents. Each individual shall report to the Office of Human Resources, provide the necessary documents required by the Immigration Naturalization Service, present his/her social security document for the College payroll system and complete all other new hire paperwork. When the orientation process is concluded, an Authorization to Work form will be given to the new employee authorizing him/her to report to their respective Department and Supervisor.

Personnel appointments are graded and compensated per the Board approved Employee Pay Plan and Staffing Plan. Employees may not earn additional compensation for work/projects for the college which requires the same skills or consists of the same responsibilities inherent in their position with the college and included in the position’s job description.

**College Staffing Plan**  
*Policy 4100 (11/09/95)*

The Staffing Plan is the official document listing position titles, employees, and salaries for each fiscal year. It is prepared annually by the staff of the Office of Human Resources during the budget process and is presented for approval to the Board of Trustees with the budget. The Staffing Plan is compatible with Board-approved Wage and Salary Administration policies.

The Staffing Plan is not a contract between the College and any person listed on it, and neither the Staffing Plan nor any action taken by the Board of Trustees concerning it should be considered creating contract rights, expectations of continued employment, or a property interest for any person listed in the Staffing Plan.

**Reduction in Force**  
*(Refer to Policy 4912)*

If and when circumstances require or make advisable a reduction in the employee work force, an equitable system for selection of employees to be separated or dismissed will be utilized. In making reductions, the College will consider skills, competence, formal education, job performance, academic credentials and seniority. The primary goal of any reduction in force is to retain those employees whose retention will best suit the continued accomplishment of the mission of the College and have the least adverse impact on such mission.

**Notice and Information on Job Opportunities**  
*(Refer to Policy 4152)*

The Office of Human Resources is responsible for ensuring that the procedures for recruitment, interview, selection, and hiring are consistent with established STC policy and Equal Employment Opportunity laws and regulations. STC employees will be considered for any vacant positions after successful completion of application requirements.

It is the sole responsibility of each employee to request his/her official transcripts be sent directly from the issuing institution to the College’s Office of Human Resources to document compliance with Southern Association for Colleges and Schools (SACS) requirements and for placement on the College’s faculty salary scale. This requirement applies to all faculty, full and part-time, and must be met BEFORE the faculty member, whether full or part-time, is considered officially employed by the College.
Administration, professional support staff, and classified staff must comply with the same requirements to document all education listed on the employee’s application and to satisfy requirements of the job.

**Filling of Vacancies**

South Texas College seeks to fill each vacant position with the best qualified person available without regard to race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, disability, genetic information or veteran status and to comply with all statutory requirements relating to filling such vacant positions.

The hiring department will be responsible for initiating and preparing a Personnel Requisition Form for any vacant position. The Office of Human Resources will review the requisition for compliance with provisions of the College Compensation Program.

Once a position is approved by the appropriate management personnel, the Office of Human Resources will coordinate the placement of all advertising of such position(s).

Search committees are selected to follow the procedures in accordance to the Faculty and Staff Hiring Manuals of Procedures and Board Policies to ensure fair and consistent hiring practices. (Hiring Manuals can be viewed on the Office of Human Resources website.)

**LANGUAGE PROFICIENCY**

To ensure that all faculty members are proficient in oral and written communications in the language in which assigned courses will be taught, the hiring procedures have been designed to have all candidates complete a written and oral presentation during the interview process.

Questions during this process are asked in the language in which the assigned courses will be taught. The search committee chair will make arrangements to have the final candidates complete a written sample on a subject related to their field of study. This written sample will be shared with the search committee. The Primary Spoken Language Form includes the written component.

**GRANT POSITIONS**

The same procedures for hiring grant employees are followed as for hiring regular employees, plus the following additional steps:

- Ensure adequate funding is available for a position.
- Inform hired employee that all grant positions are for the term provided by the applicable grants.
- Inform hired employee that upon completion of project, when the grant funding closes or other extenuating circumstance occurs, the position may no longer exist and therefore, employee will no longer be employed.
- If another grant is awarded, implement the hiring process for all applicants applying for the position funded by the new grant.
- Extension of employment from one grant to another is unacceptable, unless the president has given special approval (under special circumstances).

**Employment and Supervisory Relationship of Close Relatives**  
**Policy 4212 (11/26/19)**

This policy is to provide provisions regarding prohibition of certain employment relationships between close relatives.

**Employment of Close Relatives**

Close relatives are persons related to each other within the third degree of consanguinity (blood relatives) or second degree of affinity (relatives by marriage), as computed under the civil law method. Close relatives shall not be employed by the College in the following employment relationships.

1. When one relative would be responsible for directly or indirectly supervising, evaluating, or auditing the work of another relative.

2. When one relative would be directly or indirectly responsible for the institutional decisions that could result in a direct employment benefit to the close relative. A direct employment benefit includes, but is not limited to, initial employment or assignment, employee evaluation, salary, course or work assignments, leave of absence, or approval of employee actions.

3. When one relative would have direct or indirect authority over the terms or conditions of employment of another close relative.

**Disclosure of Close Relatives**

1. **Initial Hiring:**

   Individuals applying for employment with the College, shall be required to disclose in the application for employment, all of the individual’s close relatives employed by the College.

2. **Employee Reassignment, Transfers:**

   An employee who is being assigned, reassigned, transferred, or promoted to any position shall be required, prior to being assigned, reassigned, transferred, or promoted to disclose in writing, all of the individual’s close relatives employed by the College to the Director of Human Resources.

Employees who are in an existing employment relationship that is not in violation of this policy but who, subsequently, become close relatives shall notify the Director of Human Resources within three (3) business days of having become close relatives to determine whether or not the employment relationship is in violation of this policy.

**Administration and Enforcement of Policy**

The Director of Human Resources shall be primarily responsible for administration and enforcement of this policy. No person may be employed, and no employee transferred, assigned, reassigned, or promoted to a position which would result in an employment relationship that violates this policy. Any employment relationship which is in violation of this policy shall be terminated. If the violation results from an applicant’s or an employee’s failure to disclose a close relative relationship, the applicant or employee shall be disqualified from employment or assignment to the position and shall be subject to termination of employment with the College. Employees who are in an existing employment relationship that is not in violation of this policy, but who subsequently, become close relatives resulting in an employment relationship being in violation of this policy shall be disqualified from continued employment with the College. These employees have the option of correcting the violation by one of the employees resigning his or her position within days stipulated in Policy 4922: Separation of Employment and Re-Employment.

Any employee who exercises authority to recommend or approve the hiring of an individual or the assignment, reassignment, transfer, or promotion or an employee shall exercise due diligence to ensure that such hiring, assignment, reassignment, transfer or promotion does not result in an employment relationship that violates this policy. Failure to exercise due diligence shall subject the employee to sanctions, including, termination of employment. The provisions of this Policy shall be cumulative to the provisions of Policy 4216: Harassment, Discrimination, and Sexual Misconduct which prohibits certain employee consensual relationships.

**Definitions**

Close relatives – shall mean persons related to each other within the third degree of consanguinity (blood relatives) or second-degree affinity (relatives by marriage), as computed under the civil law method.

**Method of Computing Degree of Consanguinity and Affinity Relationship**

The method of computing degrees of consanguinity and affinity relationship of individuals is the civil law method, as follows:

**Consanguinity (blood relatives)**

1st degree of consanguinity: parents or children (includes adopted children)
2nd degree of consanguinity: brother, sister, grandparents, or grandchildren

**Outside Employment**

*(Refer to Policy 4800)*

An employee of South Texas College may engage in outside employment, operate a business, or hold elective
or non-elective office when such is in compliance with the following applicable state statutes and
regulations and when:

- The outside job/activity does not interfere with performance of assigned duties and responsibilities.
- There is no conflict of interest.
- The outside employment is not undertaken with the claim that the individual is an official
representative of South Texas College.
- No resources of the College are used in conjunction with the outside employment.
- Immediate supervisor is notified of activity, including scheduled times, place, and
telephone or other contact source.

**Conflict of Interest**

In 1973, the Legislature passed a bill entitled “Standards of Conduct of State Officers and Employees.” This
legislation, in its amended, current form, spells out standards of conduct and disclosure requirements
which must be observed by all “persons owing responsibility to the people of Texas and the government
of the state of Texas in the performance of their official duties.”

Generally, STC employees may not have any interest in or engage in any business or professional activity or
incur any obligation which is in substantial conflict with the proper discharge of duties in the public interest.
Specifically, STC employees are prohibited from:

- Accepting or soliciting any gift, favor, or service that might reasonably tend to influence the
employee’s discharge of official duties or is offered with the intent to influence official conduct.
- Accepting employment or engaging in any business or professional activity in which the employee
might reasonably expect, would require, or would induce the employee to disclose confidential
information acquired by reason of an official position.
- Accepting employment or compensation which would reasonably tend to impair
independent judgment in the performance of official duties.
• Making personal investments which would reasonably be expected to create a substantial conflict between the employee’s private interest and the public interest.

• Intentionally or knowingly soliciting, accepting, or agreeing to accept any benefit for having exercised official powers or performed official duties in favor of another.

LIMITATIONS ON CONSULTANT CONTRACTS WITH PREVIOUS EMPLOYEES

None of the funds appropriated to the College may be used to enter into a consultant contract with any individual who has been previously employed by the College within the past twelve months unless the contract has been approved by the Board.

Discrimination

Article I, Section 3 of the Texas Constitution provides:

“All free men, when they form a social compact, have equal rights, and no man, or set of men, is entitled to exclusive separate public emoluments, or privileges, but in consideration of public services.”

With respect to state human resource practices, the statute most important to the prevention of discriminatory practices, Article 5221k (Texas Commission on Human Rights Act), deems it an unlawful employment practice for an employer:

• To fail or refuse to hire or discharge an individual or otherwise to discriminate against an individual with respect to compensation or the terms, conditions, or privileges of employment because of race, color, disability, sex, national origin, or age.

• To limit, segregate, or classify an employee or applicant for employment in a way that would deprive an individual of employment opportunities or otherwise adversely affect the status of an employee because of race, color, disability, religion, sex, national origin, or age.

Americans with Disabilities Act

On July 26, 1990, the Americans with Disabilities Act (ADA) was signed into law. This federal law seeks “… to provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities.”

The ADA prohibits a wide array of discriminatory practices, but one particular standard is noteworthy because it extends to individuals with disabilities an important new tool to enhance their employment opportunities. The federal law makes it illegal to deny employment opportunities to a job applicant or employee who is an otherwise qualified individual with a disability if such denial is based on the need of the employer to make reasonable accommodation to the physical or mental impairments of the employee or applicant.

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable accommodation, has the qualifications and ability to perform the essential functions of the employment position. Within this definition, the term “reasonable accommodation” means altering existing facilities, perhaps through the acquisition or modification of equipment or devices, to make the workplace readily accessible to and usable by individuals with disabilities. However, this requirement of reasonable accommodation may involve less tangible and obvious means of accommodation, such as job restructuring, part-time or modified work schedules, reassignment to a vacant position, the appropriate adjustment or modification of examinations, training materials, or policies; or the provision of qualified readers or interpreters.
Thus, under the terms of the ADA, the employer cannot deny an otherwise qualified candidate employment because that employer does not want to adjust the workplace to accommodate the person with a disability. The employer is responsible for making reasonable accommodation for the person with a disability and cannot deny that person employment because of an unwillingness to provide reasonable accommodation, unless the employer can prove that the law is an undue hardship which imposes on the employer significant difficulty or expense.

All employee requests for a reasonable ADA accommodation shall be submitted to the Office of Human Resources for consideration and/or approval.

ADA – Responsibilities of Employee and Supervisors

Should accommodations be put in place, they are to support the employee in the performance of the job duties and responsibilities. Please be advised that a supervisor should evaluate the job performance of an employee with a disability the same way it evaluates any other employee’s performance, should not lower or change efficiency and production standards, or exempt or excuse repeated tardiness or absences. For more information please visit: https://www.eeoc.gov/facts/performance-conduct.html or contact HR Benefits at HR_Benefits@southtexascollege.edu.

Communicable Diseases
(Refer to Policy 4400)

Communicable disease means an illness due to an infectious agent or its toxic product that arises through transmission of that agent or its products from a reservoir to a susceptible host and as further defined in the Texas Health and Safety Code, Section 81.001. Communicable diseases include, but are not limited to measles, influenza, hepatitis, human immunodeficiency virus (HIV), acquired immunodeficiency syndrome (AIDS), AIDS-related complex (ARC), meningitis, meningococcal infections, and tuberculosis.

Any decision of South Texas College concerning a person who has a communicable disease shall be based on current and well-informed medical judgment, which includes the nature of the disease, risk of transmission to others, symptoms and special circumstances of the person, balancing identifiable virus and available alternatives to respond to a student or employee with a communicable disease.

The decision that a person poses a threat will be based solely on knowledge about:

a) The duration of the risk
b) The nature and severity of the potential harm.
c) The likelihood that potential harm will occur.
d) The imminence of the potential harm.

College faculty, staff, and students participating in clinical and laboratory programs that require the handling of blood, blood products, or body fluids are required to observe the universal precautions and safety guideline prescribed by the U.S. Public Health Service.

College faculty and staff members who supervise students in clinical and laboratory programs will monitor compliance with the precautions and guidelines prescribed by the U.S. Public Health Service.

The medical history or records of any employee or student are considered confidential information and may not be released without the individual’s written consent except as otherwise provided by law. All employee medical records are kept in a confidential file, separate from the personnel file.
HIV/AIDS Workplace Guidelines
(Refer to Policy 4401)

The 71st Texas Legislature determined that the creation of workplace guidelines is necessary to assure that the rights and privileges of individuals infected with HIV are protected.

Current scientific and medical technology has determined that there is no risk of HIV/AIDS transmission in the normal work setting. Routine daily encounters with co-workers or students pose no risk of transmitting the fragile, blood-borne virus.

Because modes of transmitting HIV do not involve environmental factors, but rather particular behaviors, HIV/AIDS infected individuals should not only be allowed, but encouraged to remain contributing members of the workforce. STC employees, as long as they are reasonably able to function in the job duties assigned, have the right under the law to continue working.

Based on the Federal Privacy Act, the Texas Commission on Human Rights Act, and the Texas Communicable Disease Prevention and Control Act, any medical documentation or information provided by an HIV infected employee to medical or management personnel must be considered confidential and private information. As such, STC officials are forbidden by law to disclose this information without the employee’s knowledge and consent, except as provided by law.

Immigration Reform and Control Act of 1986
Policy 4210 (01/18/01)

It is the policy of the College to fully comply with the Immigration Reform and Control Act of 1986. As such, the College is committed to employ only U.S. citizens and aliens authorized to work in the United States. College administrators or supervisors shall not discharge present employees or refuse to hire new employees based on foreign appearance or language. All applicants will be advised that if they are selected for employment, they will be required to present documents that will verify identity and eligibility to work in the United States in order to complete the required form I-9.

The original documents must be presented to the Office of Human Resources within three working days of employment. The requirements are the same for U.S. citizens and nationals as well as aliens authorized to work in the U.S.

The Office of Human Resources shall be responsible to review and verify the authenticity of the required documents in order to comply with the Immigration Act. The department shall retain these documents as required by law. The College shall not be a petitioner for any applicant or employee in obtaining a work permit unless otherwise bound by law to do so.

If an alien applicant has been petitioned to work for another educational institution or a private company only, the College will comply with the Immigration Act, thus disallowing the applicant to work at the College, unless they obtain their own documents from the Immigration and Naturalization Service. The ability to provide the required documents remains solely within the responsibility of the applicant.

Age Limitations

The Commission on Human Rights Act (Article 5221k, VACS) prohibits discrimination on the basis of age. The Federal Age Discrimination in Employment Act Amendments of 1986 lifted the mandatory retirement age. The net effect is that employees are not required to retire at any specific age and employees age 40 and over are protected from age discrimination. The College does not employ persons under the age of 18.
Unauthorized Absence  
Policy 4511 (11/25/96)

In the case of an unauthorized absence being an unexcused absence or an absence where the employee has not notified the supervisor in accordance with established procedures, the employee's pay will be docked for the amount of time absent. Disciplinary action may be initiated when necessary. An unauthorized absence of greater than two days may be treated as a voluntary resignation from employment with the College.

Non-Faculty Performance Appraisal  
Policy 4160 (5/30/19)

I. Purpose

Performance appraisals are an integral part of the College’s ongoing commitment to annually measure the extent to which the employee’s performance meets the requirements of their employment and to establish goals for the future; strengthen the relationship between the supervisor and the employee; facilitate clear channels of communication; appraise and recognize performance; identify areas that might require improvement; and assess communication and supervisory skills.

II. Policy

It is the policy of South Texas College to provide a process for performance appraisal of full-time non-faculty personnel. Full-time non-faculty personnel include Classified, Professional Support, Administrative, and Executive positions. Each non-faculty full time employee shall be evaluated annually in accordance with the established guidelines and procedures as maintained by the Office of Human Resources and approved by the President. Performance appraisals will be retained at the Office of Human Resources upon completion.

Performance appraisals are expected to be a fair, accurate, and complete reflection of the employee’s performance. If an employee disagrees with the performance appraisal, the employee may submit a statement within three (3) business days of the performance appraisal meeting and the statement will be attached to the performance appraisal to be included in the employee’s personnel file. The employee may also elect to submit a grievance as per Policy #4904 Employee Complaint Procedure. Faculty appraisals will follow the Faculty Evaluation procedures as per Policy #3812 Faculty Evaluation.

The President’s appraisal will follow Policy #2140 Evaluation of the President.

The Internal Auditor’s appraisal will follow Policy #2250 Evaluation of the Internal Auditor.

Disciplinary Action Procedures
Policy 4911 (01/31/17)

Purpose

This policy establishes a procedure for guiding supervisors in disciplining employees under their supervision who engage in conduct that fails to conform to the College’s employee standards of conduct.

Disciplinary Action Concerning Employees:

Disciplinary action against an employee shall be initiated by the immediate supervisor or other supervisor within the chain of command. The severity of the disciplinary action should match the corresponding conduct of the employee taking into consideration the following:

1. Severity of the offense;
2. Frequency of the offense, if appropriate;
3. Duration of employment;
4. Conduct of the employee;
5. Effect of the action of the employee on the general public, fellow workers, and the College; and
6. All other extenuating circumstances relating to the particular facts of the situation.

The decision to discipline an employee should be made within a reasonable time after the occurrence of conduct or incident warranting disciplinary action. Supervisory personnel shall consult the Director of Human Resources for assistance and guidance in disciplinary actions other than verbal reprimands.

Disciplinary Action: Verbal Warning

A verbal warning is a basic disciplinary action where an employee is verbally informed by an immediate supervisor, or other supervisor within the chain of command, that the employee has engaged in conduct which fails to conform to the standards of conduct for College employees, and is admonished about the possible adverse consequences of engaging in the non-conforming conduct. In addition to a verbal warning, an employee may be counseled by a supervisor, or other supervisor within the chain of command, about how the employee may improve his/her conduct. A verbal warning or counseling session may be noted by the immediate supervisor, or other supervisor within the chain of command, maintained internally by the immediate supervisor.

Disciplinary Action: Written Reprimand

An immediate supervisor and/or department head may issue a written reprimand to an employee whose conduct fails to conform to the College’s standard of conduct for employees. A written reprimand need not be preceded by a verbal warning. But, a written reprimand shall be issued if the employee fails to correct his or her conduct after having received a verbal warning. A written reprimand shall identify the employee's non-conforming conduct and admonishes the employee about the possible adverse consequences for engaging in the same or other non-conforming conduct. Written reprimands shall be discussed with the employee and be placed in the employee’s personnel file at the Office of Human Resources. An employee may file a written response to the disciplinary action within 3 business days after receipt which response will be filed with the Office of Human Resources to be placed in the employee's file. Procedures and guidance for the written reprimand may be obtained from the Office of Human Resources.

Disciplinary Action: Conduct and Performance Improvement Plan

Where an employee’s conduct fails to conform to the College’s standard of conduct after having received a verbal warning and/or a written reprimand, the immediate supervisor and/or department head
may, in lieu of recommending termination, place the employee on a written Conduct and Performance Improvement Plan. This plan should be developed with the assistance of the Director of Human Resources or the Employee Relations Officer. The Conduct and Performance Improvement Plan may be for no more than three (3) months, and should follow the procedures established and maintained at the Office of Human Resources. A Conduct and Performance Improvement Plan may be modified, as needed, to assist the employee in conduct improvement. A Conduct and Performance Improvement Plan is to be placed in the employee’s personnel file. An employee who fails to satisfactorily complete a Conduct and Performance Improvement Plan is subject to termination from employment for such failure and for the conduct precipitating the improvement plan.

**Disciplinary Action: Suspension Without Pay**

An at-will employee may be suspended without pay to discipline the employee for engaging in conduct that fails to conform to the College’s standards of conduct for employees. This disciplinary action may be taken to impress upon an employee the serious nature of the employee’s non-conforming conduct. An employee should consider this disciplinary action as a notice that the employee is facing possible termination if his/her conduct does not immediately improve. The supervisor will consult the department head and the Director of Human Resources before administering this disciplinary action. A suspension without pay shall not exceed 10 business days. Suspension without pay of an employee employed under a letter of appointment shall conform to the notice and hearing provisions of Policy 4118: Provision of Letter of Appointment: Faculty, Administrative, or Executive Employees. In addition to this disciplinary action, an employee may be issued a Written Reprimand and the employee placed on an Improvement Plan.

**Disciplinary Action: Termination**

An employee may be recommended for termination for disciplinary reasons, based on documented acts or omissions. Prior to recommending termination of an employee for disciplinary reasons, the employee’s immediate supervisor and any other appropriate administrator will meet with the employee to inform the employee of the reason(s) the employee is being recommended for termination. The employee may attend the meeting and respond to the reasons or the employee may submit a written response in lieu of attending the pre-termination meeting. This is not a due process hearing. The President shall receive the recommendation for termination and shall review the disciplinary action to determine whether additional information needs to be presented and if the disciplinary action is an appropriate management response to the employee conduct. The President may modify, approve or disapprove such action. The decision of the President shall be final on all such action. A copy of the decision shall be delivered by the Office of the President to the employee. The final action shall be placed in the employee’s personnel file.

**Administrative/ Executive and Faculty Employed under a Letter of Appointment**

Termination of an employee employed under a letter of appointment shall conform to Policy 4118: Provision of Letter of Appointment: Faculty, Administrative, or Executive Employees.

This policy is only a guide and is not intended to require progressive discipline procedure prior to recommending termination of an employee for disciplinary or other legitimate reasons. Nothing in this policy is intended to prohibit administrative suspension with pay of an employee.

**Suspension With Pay**

An employee may be suspended with pay pending investigation of allegations of the employee engaging in conduct that fails to conform to the College’s standards of conduct for employees. Suspension pending investigation is considered when:

a. an employee’s continued attendance in the workplace may hinder the investigation;
b. the employee's continued attendance presents a risk to the employee or others; or when the alleged actions interfere with the mandate of the College, either by damage to reputation or otherwise.

The supervisor will consult the department head and the Director of Human Resources before administering this action. The department head may suspend the employee with pay for up to 30 calendar days. The department head may extend the suspension for an additional 30 calendar days if further investigation is necessary. The total period of suspension with pay pending investigation may not exceed 60 calendar days.

An employee on suspension pending investigation must be available for in-person interviews throughout the entire suspension period. The employee is responsible for providing current contact information to the Office of Human Resources.

This policy does not preclude an employee from filing a grievance, under Policy 4904 Employee Complaint Procedure, after a disciplinary action, other than termination, becomes final, or from placing a written response in his/her personnel file to any disciplinary action.

This policy is not intended to create any property interest in continued employment.

**Employee Complaint Procedures**

*Policy 4904 (12/10/19)*

College employees have the right to present grievances concerning their wages, hours of employment, or conditions of work, either individually or through a representative that does not claim the right to strike. An employee having a grievance regarding his/her wages, hours of employment, or conditions of work, may seek redress of such grievance by filing a complaint in accordance with this policy. An employee may file a complaint after a disciplinary action (other than termination) becomes final or from placing a written response in his/her personnel file to any disciplinary action.

In this policy, the terms “complaint” and “grievance” shall have the same meaning. A complaint or grievance is defined as an unresolved issue concerning an employee’s wages, hours of employment, or conditions of work. No employee shall be penalized, disciplined, or prejudiced for exercising the right to file and pursue a complaint under this policy.

No employee shall be penalized, disciplined or prejudiced for exercising the right to file and pursue a complaint under this policy.

**INFORMAL COMPLAINT PROCESS**

Employees are encouraged to seek resolution of their employment-related grievances within five (5) working days of the action which is the subject of the complaint, at the lowest administrative level, by discussing their concerns or complaints through informal conferences as follows:

1. Speak with the individual whom the complaint is against; or
2. Speak with the immediate supervisor or next higher-level supervisor; or
3. Mediation between employees. The Office of Human Resources may facilitate the mediation.

The supervisor will provide written notice to the employee, within five (5) working days after the meeting, whether the remedy being requested by the employee is being granted or denied, or offer an alternative resolution. If an employee’s complaint is not resolved through an informal conference or, when the informal complaint process was bypassed, the employee may initiate the formal complaint process, as provided by this policy.
**FORMAL COMPLAINT PROCESS**

If an employee’s complaint is not resolved through an informal conference, the employee and/or the employee’s representative shall complete and Employee Complaint Procedure Form, and submit to the employee’s own immediate supervisor within 20 working days from the date of the informal conference, or if the informal conference was bypassed, from the date the employee becomes aware or should have been aware of the actions which is the subject of the complaint.

The Employee Complaint Procedure Form requires the following information:

1. A clear explanation of the employee’s specific concern;
2. A description of how the employee’s employment has been affected.
3. A description of the relief the employee is seeking.

The employee may submit the Employee Complaint Procedure Form via email, inter-office mail, or hand-deliver the form. If the complaint is against the employee’s own immediate supervisor, the employee will submit the complaint to the respective next higher-level supervisor. If the employee’s next higher-level supervisor is a Vice President or President, Level One shall be bypassed and the employee shall proceed to Level Two, accordingly.

**LEVEL ONE (Immediate Supervisor)**

1. The employee’s immediate supervisor shall review the complaint. The immediate supervisor will meet with the next higher-level supervisor and other supervisor in the employee’s chain-of-command, including the Dean/Director, and may include the respective division Vice President, to review the complaint. The immediate supervisor, Dean/Director, and any other administrator may consult with the Director of Human Resources or designee.

2. The employee’s immediate supervisor will meet with the employee to discuss the complaint and the remedy requested, not later than 20 working days from the date the complaint is filed. Any other supervisor in the employee’s chain-of-command, but not including the respective Vice-President, may attend this meeting with the employee.

3. The employee’s immediate supervisor, or other supervisor in the employee’s chain-of-command, up to, but not including the Vice President, will provide written notice to the employee, within 20 working days after the meeting, whether the remedy being requested by the employee is being granted or denied, or offer and alternative resolution.

If the complaint is not resolved to the employee’s satisfaction at Level One, the employee may proceed to present the complaint at Level Two.

**LEVEL TWO (Vice President or President)**

1. An employee may submit a written complaint to the respective division Vice-President, if the employee is not satisfied with the outcome in Level One or if Level One is bypassed as addressed by this policy. The written complaint must be submitted to the Vice President not later than 10 working days from the date of the decision at Level One. The employee shall provide a clear and concise statement detailing the reason(s) why the Level One decision was not acceptable to the employee.

2. The Vice-President may consult with the Director of Human Resources or designee and shall not later than 20 working days following the receipt of the complaint, issue a written decision, which shall be mailed and/or emailed to the employee. The decision of the Vice-President may grant or deny the remedy being requested by the employee, or offer an alternative resolution. The employee complaint decision of the Vice-President is final and not appealable under this policy.
President

In instances where the respective department does not have a Vice-President, the employee may present the written complaint to the President. A complaint concerning the proposed termination of an at-will employee may be presented to the President, if the employee has alleged unlawful retaliation, harassment, or discrimination in the complaint.

1. If the complaint is not resolved to the employee’s satisfaction at Level One and if the employee’s supervisor is a Vice President or the employee’s respective department does not have a Vice-President, the employee may present the complaint to the President. The complaint shall be submitted to the President not later than 10 working days from the date of the decision at Level One. The employee shall provide a clear and concise statement detailing the reason(s) why the Level One decision was not acceptable to the employee.

2. The President may consult with the Director of Human Resources or designee and shall not later than 20 working days following receipt of the complaint, issue a written decision, which shall be mailed and/or emailed to the employee. The decision of the President may grant or deny the remedy being requested by the employee, or offer an alternative resolution. The employee complaint decision of the President is final and not appealable under this policy.

Proposed Termination of an At-Will Employee

An at-will employee who is proposed for termination may file a complaint concerning the proposed termination directly with the President, by-passing Level One and Level Two (Vice-President), if the employee’s complaint alleges that the proposed termination constitutes unlawful retaliation, harassment, or discrimination. A complaint concerning the proposed termination of an at-will employee may be presented to the President within 3 working days from the date the employee was informed of the proposed termination. The decision of the President is final and not appealable under this policy.

OTHER COMPLAINT PROVISIONS

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor is it intended to create constitutional due process rights or to require a full evidentiary hearing or “mini-trial” at any level.

Complaints arising out of an event or a series of related events that occurred prior to the filing of the complaint shall be addressed in one complaint. Employees shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Retaliation

The College prohibits retaliation against an employee who files a complaint or grievance under this policy, serves as a witness, or otherwise participates in an investigation.

The provisions of this policy do not extend into a due process procedure. The policy is an internal procedure designed to provide employees with the opportunity to address complaints.
Student Complaints

In accordance with Board Policy 3313, Students at South Texas College have the right to file a complaint when they believe that they were unjustly or improperly treated by the College, College employees, or other students.

The College will not retaliate against any student for filing a complaint in “good faith.” The college does not require students to follow the chain of command prior to filing a complaint with the Office of Human Resources.

A student wishing to file a complaint may complete the Complaint Form on the File A Report page located at https://www.southtexascollege.edu/report/index.html

Purpose
South Texas College is committed to providing an environment that respects the dignity and worth of every member of its community. Members of the campus community are entitled to an educational, learning, and working environment free of harassment, discrimination, sexual misconduct, and retaliation. To ensure compliance with federal and state civil rights laws and College policies, the College has developed internal policies that will provide a supportive process for individuals who report harassment, discrimination, sexual misconduct, and retaliation.

Associated Policy
Policy 4216 Sex Discrimination, Sexual Harassment, Domestic Violence, Dating Violence, Stalking and Retaliation Prohibited
Informal and Formal Complaint Intake

OFFICE OF STUDENT RIGHTS AND RESPONSIBILITIES AND/OR TITLE IX COORDINATOR
- Complaints Against Student(s)
- Non-Complaints Incidents Against Student(s)

OFFICE OF HUMAN RESOURCES and/or TITLE IX COORDINATOR
- Complaints Against Employee(s), Visitor(s), or Vendor
- Non-Complaint Incidents Against Employee(s), Visitor(s), or Vendor

SOUTH TEXAS COLLEGE DEPARTMENT OF PUBLIC SAFETY and/or TITLE IX COORDINATOR
- Complaints Against Student(s), Employee(s) or Community Member(s)
- Non-Complaints Against Student(s), Employee(s), or Community Member(s)

Procedures

This process involves a prompt preliminary inquiry to determine if the case falls under Title IX. If so, the College will initiate an investigation that is thorough, reliable, impartial, prompt and fair. This investigation determines whether the College nondiscrimination policy has been violated. If so, the College will promptly implement an effective remedy designed to end the discrimination, prevent its recurrence and address its effects. The College aims to bring all allegations to a resolution as promptly as possible.

The Title IX Coordinator or Title IX Deputy Coordinator engages in a preliminary inquiry, with notice to the parties. Immediate interim actions may be considered and be granted as deemed necessary. The investigation may lead to informal and formal resolution options. In some cases, the allegation can lead to a formal investigation. Investigations are conducted in a reasonable timeframe, depending on the nature and complexity of the allegations. The parties are regularly apprised of the status as the investigation unfolds.

Procedures for Students

A. Informal Resolution Procedures for Students

Informal resolution is an alternative to the formal complaint resolution process. The Title IX Coordinator or Title IX Deputy Coordinator will determine if informal resolution is appropriate, based on the willingness of all parties and the nature of the alleged conduct.

If a decision on the allegation is made and the finding is that the responding party is not responsible for violating the Code of Student Conduct, the Administrative Student Conduct Process will end. The reporting party may request that the Dean of Students, Office of Student Conduct and/or the Title IX Coordinator reopen the investigation and/or grant a hearing. This decision will be at the discretion of the Dean of Students, Office of Student Conduct and/or the Title IX Coordinator and will only be granted for extraordinary cause. If the College’s finding is that the responding party is in violation, and the responding party accepts this finding, the College considers this an “uncontested allegation.” The administrator conducting the Initial Inquiry and Informal Resolution Conference will then determine the sanction(s) for the misconduct, which the responding party may accept or reject. If accepted, the process ends. For Conduct Sanction Review Appeal Panel, refer to Appeal/ Sanctions Review Process.

If the administrator conducting the Initial Inquiry and Formal Resolution Conference determines that it is more likely than not that the alleged student is in violation, and the alleged student rejects that finding in whole or in part, then it is considered a contested allegation and the process moves to the next phase of the Administrative Student Conduct Process.

B. Informal Resolution Procedures for Students

a. Complaint Intake

Following receipt of notice or a complaint, the Title IX Coordinator or Deputy Coordinator will make an initial determination as to whether the information has merit to reasonably indicate there may have been a violation of College policy.
The following are recommended elements of a report:

- Detailed explanation of the alleged incident(s) (e.g.: who, what, when, where, and how it occurred);
- Any supporting documentation and evidence;
- Name and all contact information for the reporting party;
- Clear demonstration of all informal efforts, if any, to resolve the issue(s) with the person involved and the person's supervisor;
- This includes names, dates and times of attempted or actual contact along with a description of the discussion and the manner of communication made in the course of each effort;
- If the investigator cannot contact the person involved and/or the supervisor, the reporting party should state the reasons why.

The Office of Student Rights and Responsibilities has primary authority and responsibility for the administration of student discipline.

Title IX complaints refer to Policy 4216 Sex Discrimination, Sexual Harassment, Domestic Violence, Dating Violence, Stalking and Retaliation Prohibited. Non-Title IX complaints will follow Policy 3313 Student Grievance and Complaint.

b. Notice of Allegations

Once an investigator has been assigned, written notice of the allegations will be provided to the parties involved.

c. Interim Action

The College may implement interim actions upon notice of alleged harassment, discrimination, sexual misconduct, and/or retaliation and will take additional prompt remedial action with respect to any member of the South Texas College Community (employee, student, guest, vendor, or visitor) who has violated this policy. Interim actions include but are not limited to: no contact directives, no trespass notices, providing counseling and/or medical services, academic support, providing a campus escort, academic or work schedule and assignment accommodations, safety planning, and referral to campus and community resources.

The College may suspend, on an interim basis, a student or student organization by imposing restrictions (Code of Student Conduct) pending the completion of the investigation and procedures. In cases in which an interim suspension is imposed, student or student organization, will be given the opportunity to meet with an appropriate administrator prior to such action being imposed, or as soon thereafter as reasonably possible, to show cause why the action should not be implemented. Violation of interim provisions will be grounds for disciplinary action.

d. Investigation Process

Investigations will be thorough, reliable, and impartial. The Student Rights and Responsibilities Investigator/Title IX Investigator will take the following steps, as applicable:

- Initiate any necessary remedial actions, when appropriate, on behalf of the parties, in consultation with the Director of Student Rights and Responsibilities;
- Determine the identity and contact information of the parties;
- Conduct an immediate preliminary inquiry to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns and the nature of the allegations;
  - If the reporting party is reluctant to pursue the allegations, determine whether the allegations should still be pursued and whether sufficient independent evidence could support the allegations without the participation of the reporting party in the investigation;
  - Notify the reporting party of whether the College intends to pursue the allegations regardless of their involvement, and inform the reporting party of their rights in the process and option
to become involved if they so choose;

- The preliminary inquiry shall be completed in reasonable amount of time.

- If indicated by the preliminary inquiry and authorized by the Title IX Deputy Coordinator or Director of Student Rights and Responsibilities, conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding party violated the South Texas College Code of Student Conduct or other College policy, and to determine what specific policy violations should be addressed;
  - If there is insufficient evidence through the investigation to support reasonable cause, the investigation will be closed with no further action;
  - If reasonable cause is found, the process will continue.

- Meet with the reporting party to take or finalize a statement, which will be drawn up by the investigator as a result of this meeting, or submitted electronically by the reporting party if they do not wish to be interviewed;

- Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended timeframe, and order of interviews for all witnesses and the responding party. The responding party will usually be given at least 48 hours advance notice of an investigation interview, unless an exigency requires less notice or no notice, as in the case of potential destruction of evidence.
  - Prepare the notice of alleged policy violation(s) and a summary of the allegations, on the basis of the reasonable cause determination. This notice may be delivered prior to, during, or after the responding party is interviewed, at the discretion of the investigator(s), but with a preference for delivery prior to the interview, where possible.

- Interview all relevant witnesses, summarize the information they are able to share, and have each witness sign the summary to verify its accuracy or submit their statement electronically;

- Obtain all documentary evidence and information that is available;

- Obtain all physical evidence that is available;

- Complete the investigation promptly by analyzing all available evidence without unreasonable deviation from the intended timeline;

- Make a recommended finding, based on the Preponderance of the Evidence whether a policy violation is More Likely Than Not;

- Draft a comprehensive report of the investigation;

- Share the report with the parties, typically giving them 48 hours to respond in person or in writing to the information in the report;

- The investigator may include all information pertaining to the investigation and allow all parties to respond, incorporating all responses into the final report;

- Once finalized, present the investigation report and recommended findings to the responding party, who may:
  - accept the recommended findings,
  - accept the recommended findings in part and reject them in part, or
  - reject all recommended findings;

- If the recommended findings are accepted, they become final. If the findings are fully or partially rejected, the procedures for a hearing, below, will commence;

- A reporting party may make a request that the Director of Student Rights and Responsibilities or Title IX Coordinator require a hearing if a finding of no violation has been recommended, but that request will only be granted under extraordinary circumstances at the sole discretion of the appropriate administrator. Otherwise, the determination of the investigation that there is no violation is final;

- Share the recommended findings and update the reporting party on the status of the investigation and the outcome;

- If findings are accepted, and a policy violation(s) has been found, the investigator will recommend sanction(s). If the sanctions are accepted, they become final, subject to any appeal of sanctions that may be requested;

- If the recommended sanctions are rejected fully or in part, a sanction hearing will be held in accordance with the procedures outlined, below;
The investigator will provide the investigative summary report to the Title IX Coordinator for review and evaluation. The Dean of Student Affairs, Student Conduct Panel or designee will determine policy violations based on a preponderance of the evidence standard (whether a policy violation is more likely than not) and sanctions.

e. Investigation Party Withdrawal

Should a responding student(s) decide to withdraw from the College and/or not participate in the investigation and/or hearing, the process will nonetheless proceed in the student’s absence to a reasonable resolution and that student(s) will not be permitted to return to the College unless any and all sanctions have been completed. The Title IX Coordinator or Title IX Deputy Coordinator will continue to monitor and evaluate the effects of the remedied conduct upon the victim and the community.

f. Investigation Findings

Upon the completion of the investigative report, Director of Students Rights and Responsibilities will forward it to the Dean of Student Affairs or designee for an appropriate hearing per Code of Student Conduct procedures. Following the hearing, the decision of whether a policy violation has occurred will be determined by using a preponderance of the evidence standard. A finding of a policy violation by a preponderance of the evidence means that it is more likely than not that the policy violation occurred. If, following the hearing, the decision is that no policy violation has occurred, the process will end.

Regardless of the outcome, the complainant, the respondent, and the Title IX Coordinator or Title IX Deputy Coordinator will be notified of the finding in writing. If, following a hearing, the student(s) is found to have violated College policy, appropriate disciplinary sanctions will be determined after consultation with the Title IX Coordinator. The Dean of Student Affairs (or designee) will notify the respondent, the complainant, and the Title IX Coordinator in writing of the Dean of Student Affairs’ decision. Appropriate administration officials along the proper chain-of-command will also be notified.

g. Notification of Investigative Findings

If it is found there is a violation of College policy, the Office of Student Rights and Responsibilities will impose appropriate sanctions for the violation, after consultation with the Title IX Coordinator and or Title IX Deputy Coordinator. The College will act to end the sexual misconduct, gender discrimination or retaliation, prevent its recurrence, and remedy its effects on the victim and the College community. In the event that the accused individual rejects the findings in part or entirely, the Office of Student Rights and Responsibilities will convene a hearing under its respective procedures to determine whether the accused individual is in violation of the contested aspects of the complaint. At the hearing, the findings of the investigation will be admitted, but are not binding on the decider(s) of fact.

The investigative officer(s) may give evidence. The hearing will determine whether it is more likely than not that the accused individual violated the policies forming the basis of the charge. The goal of the hearing is to provide an equitable resolution via an equitable process, respecting the civil and legal rights of all participants. The Office of Student Rights and Responsibilities has final decision-making authority with regard to formal complaints, subject to appeal. Where an accused individual is found in violation, preferably in the form of a recommendation of finding and sanction to the Dean of Student Affairs, the Office of Student Rights and Responsibilities will impose appropriate sanctions for the violation, after consultation with the Title IX Coordinator and Title IX Deputy Coordinators. The College will act to end the sexual misconduct, gender discrimination, retaliation or harassment, prevent its recurrence, and remedy its effects on the victim and the College community. Appeal proceedings will apply to all parties to the complaint.

h. Sanctions

Sanctions will be reviewed by the Title IX Committee after meeting with the appropriate administration officials along the chain-of-command.

Sanctions for student(s) who has violated this policy may include: verbal or written warning, restitution, probation, community service, loss of privileges, confiscation of prohibited property, behavioral requirement, educational program, campus or academic reassignment, suspension, expulsion, eligibility restriction, delayed conferral of degree, strike or ban, mental health assessment and/or mandatory treatment, withholding of official transcript, degree, or certificate, withdrawal from a course, and supervision plan or Case Management.
Plan in accordance with the following student code:

- **Code of Student Conduct** (refer to Code of Conduct for definition of sanctions)
- **Policy 3650 Student Conduct and Discipline**

i. **Failure to Complete Sanctions**

All respondents are expected to comply with sanctions within the timeframe specified in their written notice. Failure to follow through on sanctions by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanctions and/or suspension, expulsion, and/or termination from the College. Failure to comply may result in a hold being placed on their records to prevent registration and graduation.

j. **Additional Remedial Actions**

In addition to the interim actions outlined above, the Title IX Coordinator or Title IX Deputy Coordinator may provide remedial actions intended to address the short or long-term effects of sexual misconduct, gender discrimination, and/or retaliation. That is, remedial actions may be taken at the conclusion of the process in addition to any actions that may have been taken on an interim basis, in order to redress harm to the complainant and the community and to prevent further harassment or violations. Remedial actions may also be used when, in the judgment of the Title IX Coordinator or Title IX Deputy Coordinator, the safety or well-being of any member(s) of the campus community may be jeopardized by the presence on campus of the respondent or the ongoing activity of a student organization whose behavior is in question. These remedies may include, but are not limited to, referral to counseling and health services, education to the community, altering work arrangements, providing campus escorts, implementing contact limitations between the parties, or offering adjustments to academic deadlines and/or course schedules.

k. **Participation of Advisors**

All parties may select to have an advisor(s) of their choice to guide and accompany them throughout the campus resolution process. The advisor may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them who is both eligible and available. People who will be called as witnesses may not serve as advisors.

The parties are entitled to be accompanied by their advisor in all meetings and interviews at which the party is entitled to be present, including intake, interviews, hearings and appeals. Advisors should help their advisees prepare for each meeting, and are expected to advise ethically, with integrity and in good faith. The College cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide one.

All advisors are subject to the same campus rules, whether they are attorneys or not. Advisors may not present on behalf of their advisee in a meeting, interview or hearing and should request or wait for a break in the proceeding if they wish to interact with campus officials. Advisors may confer quietly with their advisees as necessary, as long as they do not disrupt the process. For longer or more involved discussions, the parties and their advisors should ask for breaks or step out of meetings to allow for private conversation. Advisors will typically be given a timely opportunity to meet in advance of any interview or hearing with the administrative officials conducting that interview or meeting. This pre-meeting will allow advocates to clarify any questions they may have, and allows the College an opportunity to clarify the role the advisor is expected to take.

Advisors are expected to refrain from interference with the College investigation and resolution. Any advisor who steps out of their role in any meeting under the campus resolution process will be warned. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will typically continue without the advisor present. Subsequently, the Title IX Coordinator or a Title IX Deputy Coordinator will determine whether the advisor may be reinstated, may be replaced by a different advisor, or whether the party will forfeit the right to an advisor for the remainder of the process.
The College provides the documentation related to the allegations and a consent form that authorizes such sharing. The parties must complete this form before the College is able to share records with an advisor.

The parties are not otherwise restricted from discussing and sharing information relating to allegations with others who may support them or assist them in preparing and presenting. Advisors are expected to maintain the privacy of the records shared with them by the College. These records may not be shared with 3rd parties, disclosed publicly, or used for purposes not explicitly authorized by the College. The College may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by the College’s privacy expectations.

The College expects an advisor to adjust their schedule to allow them to attend College meetings when scheduled. The College does not change scheduled meetings to accommodate an advisor’s inability to attend. The College will, however make provisions to allow an advisor who cannot attend in person to attend a meeting by telephone, video and/or virtual meeting technologies as may be convenient and available.

A party may elect to change advisors during the process, and is not locked into using the same advisor throughout.

I. Appeals

All sanctions originally imposed will be in effect during the appeal.

Requests for appeal considerations must be submitted in writing to the Vice President for Student Affairs and Enrollment Management or designee as stipulated under the Code of Student Conduct.

m. False Complaints, Testimony, and/or Evidence

Any person who knowingly and intentionally files a false complaint, testimony and/or evidence is subject to disciplinary action up to and including dismissal or expulsion from the College, in accordance with existing policies.

Procedures for Employees (Faculty and Staff)

A. Informal Resolution Procedures for Employees

Informal resolution is an alternative to the formal complaint resolution process. The Title IX Coordinator or Title IX Deputy Coordinator will determine if informal resolution is appropriate, based on the willingness of all parties and the nature of the alleged conduct.

If an allegation includes actions that involve criminal activity and/or sexual assault, reports will be coordinated by the Title IX Coordinator or Title IX Deputy Coordinator; these types of allegations would not be mediated. Individuals are strongly encouraged to also file a report with South Texas College Department of Public Safety. An employee who is aware of a possible criminal violation, including sexual assault, must submit the information to South Texas College Department of Public Safety.

Informal resolution is provided only at the election and agreement of both parties. It is not necessary to pursue informal resolution first in order to make a formal complaint, and anyone participating in informal resolution can stop that process at any time and request to continue through the formal process.

Examples of informal resolutions could be:

- Informal Meetings
  - Informal unstructured discussion between parties complainant/respondent) with an HR representative, or other third party representation, if requested
- Mediation
  - Formal structured discussion between parties (complainant/respondent) conducted by a Mediator
B. **Formal Resolution Procedures for Employees**

a. **Complaint Intake**

Following receipt of notice or a complaint, the Title IX Coordinator or Deputy Coordinator will make an initial determination as to whether the information has merit to reasonably indicate there may have been a violation of College policy.

The following are recommended elements of a report:

- Detailed explanation of the alleged incident(s) (e.g.: who, what, when, where, and how it occurred);
- Any supporting documentation and evidence;
- The desired remedy (interim sanction) sought;
- Name and all contact information for the reporting party;
- Clear demonstration of all informal efforts, if any, to resolve the issue(s) with the person involved and the person's supervisor;
- This includes names, dates and times of attempted or actual contact along with a description of the discussion and the manner of communication made in the course of each effort;
- If the investigator cannot contact the person involved and/or the supervisor, the reporting party should state the reasons why.

Upon receipt of a complaint, the Office of Human Resources will open a formal case file and assign a Title IX Investigator or Title IX Deputy Coordinator who will direct the investigation. The Title IX Coordinator or Title IX Deputy Coordinator may impose interim actions, provide resources for the parties involved, or other necessary remedies.

Title IX complaints refer to Policy 4216 Sex Discrimination, Sexual Harassment, Domestic Violence, Dating Violence, Stalking and Retaliation Prohibited. Non-Title IX complaints will follow Policy 4904 Employee Complaint Procedure.

b. **Notice of Allegations**

Once an investigator has been assigned, written notice of the allegations will be provided to the parties involved. If the respondent is an employee, the written notice will be copied to the employee’s Supervisor, Director, or Dean.

c. **Interim Action**

The College may implement interim actions upon notice of alleged harassment, discrimination, sexual misconduct, and/or retaliation and will take additional prompt remedial action with respect to any member of the South Texas College Community (employee, student, guest, vendor, or visitor) who has violated this policy. Interim actions include but are not limited to: no contact directives, no trespass notices, providing counseling and/or medical services, academic support, providing a campus escort, academic or work schedule and assignment accommodations, safety planning, and referral to campus and community resources.

The College may suspend, or place an employee on administrative leave as per Policy 4911 Disciplinary Action Procedures pending the completion of the investigation. Violation of interim provisions will be grounds for disciplinary action.

d. **Investigation Process**

Investigations will be thorough, reliable, and impartial. The investigator takes the following steps as applicable:

- Determine the identity and contact information of the relevant parties;
• Conduct an immediate preliminary inquiry to determine if there is reasonable cause to support a potential policy violation;
• Upon preliminary inquiry, case is staffed with Title IX Committee for review;
• Commence a thorough, reliable and impartial investigation if indicated by the preliminary inquiry and as authorized by the Title IX Coordinator and/or the Title IX Deputy Coordinator;
• Prepare the notice of allegations on the basis of the initial investigation;
• Interview the complainant(s) and respondent(s);
• Interview the witness(es) if available and as necessary;
• Request written statements from complainant(s), respondent(s), and witness(es);
• Obtain any documentary or physical evidence and information that is available;
• Make a recommended finding, based on the Preponderance of the Evidence;
• The investigator will provide the investigative summary report to the Title IX Coordinator or Title IX Deputy Coordinator who will then meet with the appropriate administration officials along the chain-of-command to determine policy violations based on a preponderance of the evidence standard (whether a policy violation is more likely than not) and sanctions;
• Provide the findings and outcome to the complainant and the respondent.

If employee (staff/faculty) is found in violation of Policy 4216 Sex Discrimination, Sexual Harassment, Domestic Violence, Dating Violence, Stalking and Retaliation Prohibited, refer to Policy 4911 Disciplinary Action Procedures. If there is insufficient evidence to support reasonable cause, the complaint will be closed.

If the respondent is found not responsible for the alleged violation(s), the investigation will be closed.

e. Resignation During Investigation Process

Should a responding employee resign while investigation is pending, the investigation report will reflect that status. Should an employee elect not to participate in the investigation and/or hearing, the process will nonetheless proceed in the employee’s absence to a reasonable resolution based on the Preponderance of the Evidence.

f. Investigation Findings

Upon receipt of the investigative report, the Title IX Coordinator or Title IX Deputy Coordinator will determine if policy has been violated by using a preponderance of the evidence standard. Regardless of the outcome, the complainant and the respondent will be notified of the finding in writing. Appropriate administration officials along the proper chain-of-command will also be notified.

g. Notification of Investigative Findings

If it is found there is a violation of College policy, the Office of Human Resources and the appropriate chain of command, including Title IX Coordinator, will impose appropriate sanctions for the violation. The College will act to end the sexual misconduct, gender discrimination, harassment, or retaliation, prevent its recurrence, and remedy its effects on the victim and the College community.

h. Sanctions

Sanctions will be reviewed by the Title IX Committee after meeting with the appropriate administration officials along the chain-of-command.

Sanctions for an employee who has violated this policy may include, but are not limited to: counseling, verbal warning, required training, written reprimand, conduct and performance improvement plan, reassignment, suspension with or without pay, and termination in accordance with the following policies:
Failure to Complete Sanctions

All respondents are expected to comply with sanctions within the timeframe specified in their written notice. Failure to follow through on sanctions by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanctions and/or suspension, expulsion, and/or termination from the College.

i. Additional Remedial Actions

In addition to the interim actions outlined above, the Title IX Coordinator or Title IX Deputy Coordinator may provide remedial actions intended to address the short or long-term effects of sexual misconduct, gender discrimination, and/or retaliation. That is, remedial actions may be taken at the conclusion of the process in addition to any actions that may have been taken on an interim basis, in order to redress harm to the complainant and the community and to prevent further harassment or violations. Remedial actions may also be used when, in the judgment of the Title IX Coordinator or Title IX Deputy Coordinator, the safety or well-being of any member(s) of the campus community may be jeopardized by the presence on campus of the respondent or the ongoing activity of a student organization whose behavior is in question. These remedies may include, but are not limited to, referral to counseling and health services, education to the community, altering work arrangements, providing campus escorts, implementing contact limitations between the parties, or offering adjustments to academic deadlines and/or course schedules.

j. Participation of Advisors

All parties may select to have an advisor(s) of their choice to guide and accompany them throughout the campus resolution process. The advisor may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them who is both eligible and available. People who will be called as witnesses may not serve as advisors.

The parties are entitled to be accompanied by their advisor in all meetings and interviews at which the party is entitled to be present, including intake, interviews, hearings and appeals. Advisors should help their advisees prepare for each meeting, and are expected to advise ethically, with integrity and in good faith. The College cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide one.

All advisors are subject to the same campus rules, whether they are attorneys or not. Advisors may not present on behalf of their advisee in a meeting, interview or hearing and should request or wait for a break in the proceeding if they wish to interact with campus officials. Advisors may confer quietly with their advisees as necessary, as long as they do not disrupt the process. For longer or more involved discussions, the parties and their advisors should ask for breaks or step out of meetings to allow for private conversation. Advisors will typically be given a timely opportunity to meet in advance of any interview or hearing with the administrative officials conducting that interview or meeting. This pre-meeting will allow advocates to clarify any questions they may have, and allows the College an opportunity to clarify the role the advisor is expected to take.

Advisors are expected to refrain from interference with the College investigation and resolution. Any advisor who steps out of their role in any meeting under the campus resolution process will be warned. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will typically continue without the advisor present. Subsequently, the Title IX Coordinator or a Title IX Deputy Coordinator will determine whether the advisor may be reinstated, may be replaced by a different advisor, or whether the party will forfeit the right to an advisor for the remainder of the process.
The College provides the documentation related to the allegations and a consent form that authorizes such sharing. The parties must complete this form before the College is able to share records with an advisor. The parties are not otherwise restricted from discussing and sharing information relating to allegations with others who may support them or assist them in preparing and presenting. Advisors are expected to maintain the privacy of the records shared with them by the College. These records may not be shared with 3rd parties, disclosed publicly, or used for purposes not explicitly authorized by the College. The College may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by the College’s privacy expectations.

The College expects an advisor to adjust their schedule to allow them to attend College meetings when scheduled. The College does not change scheduled meetings to accommodate an advisor’s inability to attend. The College will, however, make provisions to allow an advisor who cannot attend in person to attend a meeting by telephone, video and/or virtual meeting technologies as may be convenient and available.

A party may elect to change advisors during the process, and is not locked into using the same advisor throughout.

k. Appeals

All sanctions originally imposed will be in effect during the appeal.

Requests for appeal considerations must be submitted in writing as stipulated under Policy 4904 Employee Complaint Procedures, Policy 4118 Provisions of Letter of Appointment: Faculty, Administrative, or Executive Employees, Policy 4911 Disciplinary Action Procedures and as below.

The following are grounds for appeal:

- A substantive error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.);
- To consider new evidence, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included;
- The sanctions imposed fall outside the range of sanctions designated for this offense and the cumulative conduct history of the responding party.

I. False Complaints, Testimony, and/or Evidence

Any person who knowingly and intentionally files a false complaint, testimony and/or evidence is subject to disciplinary action up to and including dismissal or expulsion from the College, in accordance with existing policies.

Criminal Complaints:

For criminal complaints, the complainant may elect to press charges against the perpetrator.

Employee Leave, Spring Break, Semester Break and Holidays
Policy 4305 (05/24/01)

Holidays, Spring Break and Semester Break which the College observes for employees and students will be listed in the Board approved academic calendar of the current College Catalog.

Paid holidays, Spring Break and Semester Break are applicable only to regular employees holding staffing plan positions and limited to only those days listed on the academic calendar. Employees must be on an active payroll status for the entire pay period(s) during which a paid holiday, Spring break or semester break falls in order to be entitled to the paid days as approved on the academic calendar by the Board.

Staffing plan employees, excluding students employed in positions which require student status as a condition of employment, are entitled to the established employee benefits which include leaves and holidays. A "regular employee" means one who is employed to work at least 20 hours per week for a period of at least four and one-half (4.5) months.

Entitlements under Employee Leave include:

- Vacation Leave
- Sick Leave
- Personal Leave
- Funeral Leave
- Family and Medical Leave
- Jury and Witness Duty
- Leave Without Pay
- Military Leave
- Professional Leave

The following information clarifies the intent of Board Policy 4305:
If an employee has enough paid leave to be on active payroll status (physically working or utilizing paid leave) for the entire pay period, the employee is entitled to holiday pay.

Holiday pay will be paid only during active periods of employment, and will not be paid if an employee is out on unpaid FMLA, leave of absence, or leave without pay of five days or more in the month during which the holiday occurs.

Vacation Leave Accrual
Policy 4306 (12/18/03)

Vacation Leave Accrual Policy 4306 (12/18/03)

With the exception of faculty members who have appointments of less than 12 months, full-time regular employees accrue vacation leave time at the rate of 8 hours per month of employment. Employment of less than one month will accrue on a pro-rated basis. Part-time employees with regular weekly schedules of 20 hours or more accrue vacation on a prorated basis. An employee is eligible to take vacation on or after the first day of the month following the first full month of employment.

All vacation leave requests must be approved by the immediate supervisor and the leave will be granted according to the staffing needs and availability. Leave time for holidays, spring break and semester break are not charged against vacation time. All hours of unused accumulated vacation leave must be used by March 1 following the fiscal year in which it was accumulated. Any vacation leave not used by that date will be forfeited unless a time extension has been approved by the supervising administrator, Vice President/Executive Director, and President. A time extension of not more than 60 days may be granted for extenuating circumstances.

An employee terminating employment, will be expected to utilize accrued vacation prior to the last day of employment. In extenuating circumstances, a lump sum payment may be paid for unused accrued vacation with the approval of the supervising administrator, Vice President/Executive Director, and President.

Sick Leave Accrual
Policy 4308 (02/15/01)

Sick Leave Accrual Policy 4308 (02/15/01)

Regular full-time (40 hours/week) non-faculty employees shall accrue eight (8) hours sick leave per month to be used for the purposes of personal illness. Sick leave benefits will accrue only during active periods of employment, and may not accrue while an employee is on academic leave, sick leave, or any other extended absence from official duty for 30 days or more. An employee on active status for less than one month will accrue sick leave on a prorated basis.

An employee may take earned sick leave as needed. Illness must be reported by the employee to the immediate supervisor within one hour after the usual time to begin work. An employee’s supervisor retains the option to request a doctor’s statement for day(s) missed due to illness.

Part-time employees will accrue sick leave as follows:

1-19 hours/week - 0 hours accrual
20-30 hours/week - 4 hours accrual/month
31-39 hours/week - 6 hours accrual/month

Accrued sick leave may also be used for personal illness in the employee’s immediate family. Immediate family is defined as a son, daughter, parent, or spouse of employee.

In the event of a workers’ compensation injury/illness an employee may use their sick leave for the initial State mandated waiting period of seven (7) days before the workers’ compensation insurance begins partial payment for injury/illness. An employee may use their sick leave if the doctor requires an employee to be absent for a shorter period of time, due to work-related injury/illness.
An employee may accrue a total of not greater than 90 days of sick leave. After an employee has an accrual of 90 days sick leave, the employee will not accrue additional sick leave until the accrued amount falls below the ninety (90) day maximum accrual amount.

An employee having more than 90 days accrued sick leave in the employee’s account as of April 11, 1996, will be allowed to maintain such amount of accrued sick leave, but will accrue no further sick leave until the total amount of accrued sick leave is less than 90 days, at which point the 90 day accrual limitations shall apply.

Accrued and unused sick leave will not be paid as compensation to the employee in the event an employee voluntarily or involuntarily terminates employment with the College. However, employees retiring under the Texas Retirement System (TRS) after September 1, 2001 may have the option to use accrued sick leave towards years of service credit under TRS rules.

Sick Leave Deductions for Faculty

Policy 4309 (06/11/98)

Faculty members have schedules that vary from day to day and may include evening and weekend courses, so there is need for a consistent standard which may be applied for all faculty. Faculty members are required to use sick leave even though no classes are missed, if the absence due to illness occurs during the normal college workday. Sick leave must be taken in units of not less than one-half day (4 hours). Faculty must report all days ill, not just days on which classes are missed.

Therefore, the following standards will be applied in computing sick leave deduction for faculty members:

1. Faculty will have sick leave deducted in four-hour increments.
2. Faculty missing four hours or less will be required to submit documentation for a four-hour absence.
3. Faculty missing more than four hours will be required to submit documentation for an eight-hour absence.

Exceptions to this four-hour incremental policy may be made with appropriate documentation and approval.

Faculty members are expected to contact their immediate supervisor when absent due to illness. It is the responsibility of the faculty member requesting absence from work due to sickness to provide lesson plans and to take any necessary steps so that students do not miss an instructional day.

Division Deans may request medical verification from a licensed U.S. doctor.

Exceptions to this 4-hour incremental policy may be made with appropriate documentation and approval by both the Division Dean and the Vice President for Academic Affairs.

Adjunct faculty members (part-time) are not eligible for sick leave benefits.
Sick Leave Pool
Policy 4310 (01/18/01)

This policy establishes a sick leave pool to provide additional sick leave for regular full-time employees who have exhausted all paid leave entitlement and suffered a loss of compensation because of a catastrophic illness or injury of the employee or the employee’s immediate family. Participation in the pool is available for regular full-time employees who have completed a one year waiting period from the initial date of hire and meet the eligibility requirements set by the procedures governing the pool. This is a benefit and not an entitlement.

An employee’s sick leave from the sick leave pool, which is taken because of a catastrophic illness or an injury to the employee or the employee’s immediate family, will run concurrently with leave under the Family and Medical Leave Act. The employee must have already donated the minimum number of sick leave hours required to join the pool.

The Director of Human Resources, or designee, will administer the sick leave pool according to Texas Government Code, Chapter 661, Subchapter A, State Employee Sick Leave Pool.

Sick Leave Pool Procedures

I. PURPOSE
The purpose of the Sick Leave Pool is to provide additional sick leave to eligible STC employees who experience catastrophic illness or injury. This Pool is established by Board Policy 4310 and subject to the terms outlined in this procedure.

II. ELIGIBILITY
Participation in the Sick Leave Pool is on a voluntarily basis. In order to be a member of the Sick Leave Pool, the STC employee must:

1) Be a full-time regular employee who accrues sick leave in accordance with STC policy.

2) Have completed twelve calendar months of employment with STC.

3) Have accrued a minimum sick leave balance of 72 hours at the time of the annual enrollment period.

Members may cancel their participation at any time by giving written notice to the Sick Leave Pool Committee; however, sick leave hours contributed to the Sick Leave Pool will not be restored to the member upon cancellation.

III. ENROLLMENT PERIOD
Enrollment periods will be held twice a calendar year:

April 1st – April 30th

And

October 1st – October 31st

Members shall be considered enrolled on the first day of the month following the end of the enrollment period.
IV. MEMBERSHIP REQUIREMENTS

Initial Enrollment: Upon initial enrollment, the employee will contribute a minimum of 24 hours of their individual accrued sick leave to the Sick Leave Pool. An employee may elect to donate more accrued sick leave hours as long as the minimum required balance of 48 hours is maintained in their individual accrued sick leave. Employees who have reached the maximum number of sick leave hours in accordance with STC Policy are encouraged to donate their annual number of accrued sick leave in lieu of forfeiture. Sick Leave Pool members who wish to continue participation will be required to donate eight hours of accrued sick leave during one of the enrollment periods in April or October of each calendar year. Once enrolled, continuing members shall not be required to maintain a minimum individual accrued sick leave balance.

Continuing Membership: Continuing Sick Leave Pool members who do not have the eight hours of sick leave needed to renew their participation shall be granted a grace period of 30 days and will donate their next eight hours of accrued sick leave. The Office of Human Resources will monitor the records of individuals who have been granted a grace period for donating the required eight hours of sick leave and will update their records automatically once the hours are accrued. A continuing member who does not have the adequate sick leave time within the 30 day grace period may donate accrued vacation leave in lieu of sick leave. If the continuing member does not have the adequate sick or vacation leave, the individual will forfeit participation for the next six months until the next enrollment period. The subsequent year the individual may donate the eight hours required for continuing members and reactivate his or her participation in the Sick Leave Pool.

Members on Approved Sick Leave: Members of the Sick Leave Pool who are on approved sick leave assistance time during the annual enrollment period shall not be required to donate to the pool for that enrollment period. However, the member shall be required to donate eight hours of accrued sick leave for all future enrollment periods if he/she wishes to continue as an active member of the Sick Leave Pool. All time contributed to the Sick Leave Pool is non-refundable.

V. ADMINISTRATION OF SICK LEAVE POOL

Sick Leave Pool Administrator: The President of the College has designated the Director of Human Resources as the Sick Leave Pool Administrator. The Sick Leave Pool Administrator shall adopt forms, procedures, and regulations for the administration of this policy. The Sick Leave Pool Administrator has the authority to request an unscheduled meeting of all committee members if the need arises. After review, the Committee will make recommendations to the Sick Leave Pool Administrator for approval or denial of applications for sick leave pool hours in accordance with the provisions of this policy. The decision of the Sick Leave Pool Administrator to approve or deny a request for sick leave assistance will be final and binding.

Sick Leave Pool Committee Membership: A Sick Leave Pool Committee will be established to review requests for leave and recommend awards of sick leave hours to the Sick Leave Pool Administrator. The members of the Sick Leave Pool Committee shall be appointed by the President of the College or designee, and shall serve for staggered terms. The Sick Leave Pool Committee shall consist of at least five members with a proportional representation of all eligible employee groups and will meet once a month to review requests submitted to the Office of Human Resources.

Every March, the Sick Leave Pool Committee will determine the amount of sick leave contributions it projects is necessary to maintain the bank for the coming year. The committee shall recommend an amount greater than the actual number of sick leave hours awarded to employees in the previous year. If the number of projected sick leave hours is less than the total hours donated from new and continuing members, the Sick Leave Pool Administrator will assess members a minimum of eight hours of sick leave to a maximum of 16 hours of sick leave. This time will be deducted automatically from the
member’s individual accrued sick leave or vacation leave (if available) with proper notification being provided to the member. The Sick Leave Pool shall strive to maintain a minimum balance of 7000 hours and may be revised depending upon the employee census or employee’s needs.

**PROCESSING REQUESTS FOR SICK LEAVE POOL TIME**
The following procedures shall be used to request sick leave pool time:

1. A member shall complete a Sick Leave Pool Application Form available in the Office of Human Resources. A participating member may request sick leave assistance when he/she has experienced a catastrophic illness or injury, has exhausted all their paid leave entitlement, and is not eligible to apply for benefits under STC’s group long-term disability plan. The member’s catastrophic illness or injury must be supported by a physician’s statement that certifies that member’s inability to work, provides a prognosis for recovery, and provides a projected time for return to work. The member must agree to provide any relevant information in the event verification is required by the Sick Leave Pool Committee.

2. The completed request form should be returned to the Sick Leave Pool Administrator in the Office of Human Resources. The Sick Leave Pool Administrator or the designee shall verify the eligibility of the requestor and forward all requests to the Sick Leave Pool Committee.

3. The Sick Leave Pool Committee shall submit a recommendation on a member’s request to the Sick Leave Pool Administrator. In the event that one or more of the Committee members are not available to participate in the review, a quorum of the committee may decide upon a recommendation. The recommendation to the Sick Leave Pool Administrator shall be made and delivered within five (5) working days from the date the committee meets and reviews the request(s).

4. The Sick Leave Pool Administrator will notify the employee of his/her decision to approve or to deny the request within seven working days from the date the recommendation is received.

5. A member’s request for sick leave assistance will not be denied on the basis of existing conditions or reapplication as long as the eligibility criteria are met at the date of each application. The Sick Leave Committee may request recertification of the medical condition by a licensed physician as required by this procedure.

A member who applies for sick leave assistance may request sick leave hours in an amount of up to 90 calendar days or 480 hours (based on a 40-hour work week) in any rolling 12-month period. The rolling period is defined as the month the member requests sick leave assistance and the 11 months immediately preceding the member’s request. Subject to the rolling year maximum, sick leave assistance, if approved, may be requested all at one time or it may be requested intermittently if medically necessary. If requested intermittently, a separate request must be made each time sick leave is withdrawn from the Sick Leave Pool and each separate request must meet the eligibility requirements specified, including medical certification.

If a member withdraws sick leave hours from the Sick Leave Pool and is certified by his/her physician to return to work before all the sick leave hours have been used, the remaining balance of awarded and unused sick leave hours will be returned to the Sick Leave Pool. If a member is not able to return to work following utilization of his/her rolling year maximum sick leave assistance time, the member may request an unpaid leave of absence in accordance with STC Policy 4316 if total absences have not exceeded 12 months. If an employee’s request is approved for an unpaid leave of absence following utilization of his/her rolling year maximum, the time of unpaid leave of absence will not count toward the member’s new rolling year period. That member’s new rolling year period will begin in the month that he/she actively returns to work on a full-time regular basis.
PROCESSING APPROVED REQUEST
The Sick Leave Pool Administrator shall provide written notification to the employee informing him/her of their approved request and the amount of sick leave hours to be awarded within seven workdays from receipt of the recommendation submitted by the Sick Leave Pool Committee.

EMPLOYEE TERMINATIONS
Terminated employees with unused sick leave hours will have their balance reduced to zero.

CHANGE OF EMPLOYMENT STATUS
If a member of the Sick Leave Pool experiences a change in employment from a full-time regular position to a non-qualifying position, he/she will be treated as an employee termination with the unused sick leave hours reduced to zero and donated to the Sick Leave Pool. The employee’s membership in the Sick Leave Pool will be terminated effective as of the date of the change in employment status and the employee forfeits any benefits under the Sick Leave Pool. If the employee status change occurs during a time the member has been approved for sick leave assistance, any unused hours from the date of the change in employment status will be returned to the Sick Leave Pool.

EXCLUSIONS
The Sick Leave Pool is not intended to be used for short-term leave due to routine and non-extraordinary illnesses, nor is it for time off covered by job-related injuries or illnesses (Worker’s Compensation). Rather, it is intended to be used for prolonged catastrophic illnesses or injuries such as medically necessary surgery, illness, or disability which requires hospitalization and/or convalescence or recuperation in an extended care facility or at home while under the care of a licensed physician.

In order to request sick leave assistance from the Sick Leave Pool, the member must have exhausted all of his/her own individual sick and vacation leave (if applicable). Sick leave assistance may only be used for a member’s own catastrophic illness or injury or for an immediate family member as defined under STC Policy 4308, which includes a son, daughter, parent, or spouse of the employee.

REVISIONS OF PROCEDURES
The Sick Leave Pool Administrator reserves the right to make changes to the procedures when a situation or event not addressed in the procedures proves necessary. Any revisions will be communicated to all existing members of the Sick Leave Pool in the month that the revision is made. The revision will also be communicated to all eligible employees on or before the next scheduled enrollment period. The revision shall be included in the College’s Benefit Handbook and issued to each full-time regular employee at the start of the next fiscal year.

Notation only for the first-year implementation of the Sick Leave Pool: The Director of Human Resources recommends that the Sick Leave Pool task force members serve as the Sick Leave Pool committee members for the first fiscal year term (September 1st – Aug.31st). Thereafter, the Sick Leave Pool committee members will be on a voluntary basis to serve one fiscal year terms with the final approval of the Director of Human Resources.

DEFINITIONS
A regular employee is defined as one who is employed to work at least 20 hours per week for a period of at least 4 ½ months.

Employees may use up to a maximum of 3 days of accrued sick leave during any fiscal year as personal leave to be used for funerals not covered by bereavement leave, religious observances or for sick leave for persons outside the immediate family. Full-time faculty who do not accrue vacation leave may use two of such personal leave days to conduct essential personal business which cannot be accomplished at times outside the instructional schedule.

Personal leave is deducted from the employee's accumulated sick leave.

All personal leave must be approved by the employee's supervisor and the supervising Dean in advance, and the proper forms forwarded to the Office of Human Resources.

The Family and Medical Leave Act (FMLA) covers only certain employers; affects only those employees eligible for the protections of the law; involves entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; sets requirements for notice and certification of the need for FMLA leave; and protects employees who request or take FMLA leave.

**Eligibility For Leave.** To be eligible for FMLA leave, an employee **must work for a covered employer and:**

1. have worked for that employer for at least 12 months; and
2. have worked at least 1,250 hours during the 12 months prior to the start of the FMLA leave; and,
3. work at a location where at least 50 employees are employed at the location or within 75 miles of the location.

The 1,250 hours refers to hours actually worked and does not include any paid time off. **Entitlement To Leave.** Eligible College employees are entitled, to job-protected leave under the Family and Medical Leave Act (FMLA) for a total of 12 weeks of leave during a “rolling” 12-month period measured backward from the date an employee uses any FMLA leave, except in the case of leave to care for a covered service member with a serious injury or illness, for one or more of the following:

1. for incapacity due to pregnancy, prenatal medical care, or child birth;
2. to care for the employee's child after birth, or the placement for adoption or foster care;
3. to care for the employee's spouse, son, daughter, or parent with a serious health condition;
4. because of a serious health condition that makes the employee unable to perform the functions of the employee's job.
5. Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty or call to covered active duty status may use their 12 week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative child care, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings. FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period.

A covered service member is:

1. a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or

2. a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation or therapy for a serious injury or illness care for the covered veteran, and who is undergoing medical treatment, recuperation or therapy for a serious injury or illness.
Expiration of Entitlement. The entitlement to leave for a birth or placement of a son or daughter shall expire at the end of the 12-month period beginning on the date of such birth or placement.

Intermittent Leave or Reduced Leave Schedule. Leave taken after the birth, or for the adoption, or foster care of son or daughter shall not be taken by an employee intermittently or on a reduced leave schedule unless the employee and College agree otherwise. Subject to certification requirements under the FMLA, leave taken for purposes of a serious health condition or a serious injury or illness of a covered service member may be taken by an employee intermittently or on a reduced leave schedule when medically necessary. Subject to certification requirements under the FMLA, leave taken for purposes of a qualifying exigency may be taken by an employee intermittently or on a reduced leave schedule. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer’s operations. Leave due to qualifying exigencies may also be taken on an intermittent basis. Only the amount of leave actually taken while on intermittent/reduced schedule leave may be charged as FMLA leave. Employees may not be required to take more FMLA leave than necessary to address the circumstances that cause the need for leave. (CFR Section 203)

Substitution of Paid Leave.

1. In General. The College requires the employee, to substitute applicable accrued paid leave of the employee for leave taken with respect to the birth, adoption, or foster care of a child or for a qualifying exigency for any part of the 12-week period.

2. Serious Health Condition. The College requires the employee, to substitute applicable accrued paid leave of the employee for leave taken with respect to a serious health condition or taking care of a qualifying relative with a serious health condition for any part of the 12-week period of such leave, except that the College is not required to provide paid leave in any situation in which such employer would not normally provide any such paid leave.

3. Service Member Family Leave. The College requires the employee, to substitute any of the accrued paid leave of the employee for leave taken for a serious injury or illness of a covered service member for any part of the 26-week period, except that the College shall not be required to provide paid leave in any situation in which the College would not normally provide any such paid leave.

Unpaid Leave. If an employee exceeds available paid leave for fewer than 12 workweeks or 26 workweeks in the case of service member family leave, the additional weeks of leave necessary, up to 12 workweeks or 26 workweeks, as appropriate, of the leave will be taken as leave without compensation.

An employee’s application shall specify the period and purpose of the leave requested. The application must include the required medical certification from the health care provider of the eligible employee, child, spouse or parent as appropriate. All requests for Family and Medical Leave will be forwarded to the Office of Human Resources and will be retained in the Employee Benefits Record file.

Requirement of Notice. Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days’ notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer’s normal call-in procedures. In any case in which the necessity for leave for the employee’s serious health condition or to care for a qualifying relative with a serious health condition or for service member family leave is foreseeable based on planned medical treatment, the employee—

(A) shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the College, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and
(B) shall provide the College with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take such leave, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(2) Notice For Leave Due To Qualifying Exigency. In any case in which the necessity for leave for a qualifying exigency is foreseeable, whether because the spouse, or a son, daughter, or parent, of the employee is on active duty, or because of notification of an impending call or order to active duty in support of a contingency operation, the employee shall provide such notice to the employer as is reasonable and practicable.

Spouses Employed By The College.

(1) In General Spouses employed by the same employer may be limited to a combined total of 12 workweeks of family leave for the following reasons:

The birth and care of a child, for the placement of a child for adoption or foster care and to care for the newly placed child and to care for an employee’s parent with a serious health condition.

(2) Service member Family Leave. The aggregate number of workweeks of leave to which both that husband and wife may be entitled to care for a covered service member with a serious injury or illness may be limited to 26 workweeks during the single 12-month period prescribed by the FMLA if the leave is Service member Family Leave or a combination of Service member Family Leave and other leave provided under the FMLA. However, when leave is combined, leave other than Service member Family Leave shall be limited to not more than 12 weeks.

Certification Requirements.

(1) The College may require that a request for leave for a serious health condition or to care for the employee's immediate family member be supported by a certification issued by a health care provider. The employee shall provide a copy of such certification to the College in a timely manner. The College will allow at least 15 calendar days (additional time may be required in some circumstances).

(2) Qualifying Exigency Leave. The College may require that a request for leave because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation be supported by a certification issued. The same timing requirements for certification apply to all requests for FMLA leave, including those for military family leave. Thus, an employee must provide any requested certification to the college within the timeframe requested (which must allow at least 15 calendar days after the employer’s request).

(3) Failure to Return From Leave. The College may recover the premium that the employer paid for maintaining coverage for the employee under the College’s group health plan during any period of unpaid leave under this policy if:

(A) the employee fails to return from leave after the period of leave to which the employee is entitled has expired; and

(B) the employee fails to return to work for a reason other than--

i) the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave or Service member Family Leave; or
(ii) other circumstances beyond the control of the employee.

In addition to certification required for failure to return to work from other FMLA leave, the College may require that a claim that an employee is unable to return to work because of the continuation, recurrence, or onset of the serious injury or illness of a covered service member be supported by a certification issued by the health care provider of the service member being cared for by the employee, in the case of an employee unable to return to work.

**Maintenance of Health Benefits/Job Restoration after Leave.**

During FMLA leave, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

**Definitions.**

“Active Duty” means:

1. in the case of a member of the Regular Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and,

2. in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation under a provision of law referred to in section 101(a)(13)(B) of Title 10, United States Code. See also § 825.126(a).

“Contingency Operation” means a military operation that:

1. is designated by the Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or

2. results in the call or order to, or retention on, active duty of members of the uniformed services under section 688, 12301(a), 12302, 12304, 12305, or 12406 of Title 10 of the United States Code, chapter 15 of Title 10 of the United States Code, or any other provision of law during a war or during a national emergency declared by the President or Congress. See also § 825.126(a)(2).

“Covered Service Member” means:

1. a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness, or

2. a covered veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

“Next of Kin”, means the nearest blood relative other than the covered service member’s spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered service member by court decree or statutory provisions, brothers and sisters,
grandparents, aunts and uncles, and first cousins, unless the covered service member has specifically
designated in writing another blood relative as his or her nearest blood relative for purposes of military
caregiver leave under the FMLA. When no such designation is made, and there are multiple family members
with the same level of relationship to the covered service member, all such family members shall be
considered the covered service member’s next of kin and may take FMLA leave to provide care to the
covered service member, either consecutively or simultaneously. When such designation has been made,
the designated individual shall be deemed to be the covered service member’s only next of kin. See also
§ 825.127(d)(3).

“Outpatient Status” with respect to a covered service member, means the status of a member of the
Armed Forces assigned to—
(A) a military medical treatment facility as an outpatient; or
(B) a unit established for the purpose of providing command and control of members of the Armed
Forces receiving medical care as outpatients.

“Parent” means a covered service member’s biological, adoptive, step or foster father
or mother, or any other individual who stood in loco parentis to the covered service member. This term
does not include parents “in law.”

“Qualifying Exigency” is one of the two new military family leave provisions. It may be taken for any
qualifying exigency arising out of the fact that a covered military member is on active duty or call to active
duty status. The Department’s new regulations include a broad list of activities that are considered
qualifying exigencies and will permit eligible employees who are family members of a covered military
member to take FMLA leave to address the most common issues that arise when a covered military
member is deployed, such as attending military-sponsored functions, making appropriate financial and legal
arrangements, and arranging for alternative childcare.

“Serious Health Condition” means an illness, injury, impairment, or physical or mental condition that
involves:
- any period of incapacity or treatment connected with inpatient care (i.e., and overnight
  stay) in a hospital, hospice, or residential medical care facility; or
- any period of incapacity requiring absence of more than three consecutive days from
  work, school, or other regular daily activities that also involves continuing treatment
  by (or under the supervisor of) a health care provider.
- any period of incapacity due to pregnancy, or for prenatal care; or
- any period of incapacity (or treatment therefor) due to a chronic serious health
  condition (e.g., asthma, diabetes, epilepsy, etc.); or
- a period of incapacity that is permanent or long-term due to a condition for which
  treatment may not be effective (e.g., Alzheimer’s, stroke, terminal diseases, etc.); or,
- any absences to receive multiple treatments (including any period of recovery
  therefrom) by, or on referral by, a health care provider for a condition that likely would
  result in incapacity
- of more than three consecutive days if left untreated (e.g., chemotherapy, physical
  therapy, dialysis, etc.).

“Serious Injury or Illness”, In the case of a current member of the Armed Forces, including a member of
the National Guard or Reserves, an injury or illness that was incurred by the covered service member in the
line of duty on active duty in the Armed Forces or that existed before the beginning of the member’s active
duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render
the service member medically unfit to perform the duties of the member’s office, grade, rank, or rating; and
In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:

1. A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the service member unable to perform the duties of the service member’s office, grade, rank, or rating; or

2. A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50% or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or

3. A physical or mental condition that substantially impairs the covered veteran’s ability to secure or follow a substantially gainful occupation by reason of disability or disabilities related to military service, or would do so absent treatment; or

4. An injury, including psychological injury, which is the basis on which the covered veteran has been enrolled in the Department of Veterans’ Affairs Program of Comprehensive Assistance for Family Caregivers. See also §825.127(c).

"Son or Daughter" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is a “biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is

(A) under 18 years of age; or

(B) 18 years of age or older and incapable of self-care because of a mental or physical disability.” §See 29 C.F.R. § 825.122 (d).

The FMLA does not require that a biological or legal relationship exist between the employee and the child. See 29 C.F.R. § 825.122 (d) (3).

The FMLA definition of “son or daughter” therefore includes a child of a person standing in loco parentis—those with day-to-day responsibilities to care for or financially support a child.

A child under 18 years of age is a “son or daughter” under the FMLA without regard to whether or not the child has a disability. An eligible employee requesting FMLA leave to care for a son or daughter under 18 years of age must only show a need to care for the child due to a serious health condition. However, in order to meet the FMLA’s definition of a “son or daughter,” an adult child (i.e., one who is 18 years of age or older) must have a mental or physical disability and be incapable of self-care because of that disability. The FMLA regulations adopt the ADA’s definition of “disability” as a physical or mental impairment that substantially limits a major life activity (as interpreted by the EEOC) to define “physical or mental disability.” 29 C.F.R. §825.122(d) (2). The FMLA regulations define “incapable of self-care because of mental or physical disability” as when an adult son or daughter “requires active assistance or supervision to provide daily self-care in three or more of the ‘activities of daily living’ (ADLs) or ‘instrumental activities of daily living’ (IADLs).” §825.122(d) (1). A parent will be entitled to take FMLA leave to care for a son or daughter 18 years of age or older, if the adult son or daughter is “incapable of self-care because of a mental or physical disability” at the time that FMLA leave is to commence.
“Spouse” means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides, including "common law" marriage and same-sex marriage.

**Documenting relationships.** For purposes of confirmation of family relationship, the College may require the employee giving notice of the need for leave to provide reasonable documentation or statement of family relationship. This documentation may take the form of a simple statement from the employee, or a child's birth certificate, a court document, etc. The College is entitled to examine documentation such as a birth certificate, etc., but the employee is entitled to the return of the official document submitted for this purpose.

**Funeral Leave**  
*Policy 4312 (11/09/95)*

An employee shall be granted bereavement leave because of a death in the employee's family and may take a maximum of three days which are to be taken from sick leave, vacation leave or leave without pay. Under this provision, an employee's family is defined as the employee's spouse, employee's and spouse's parents, children, brothers, sisters, grandparents, and grandchildren.

**Jury and Witness Duty**  
*Policy 4314 (11/09/95)*

Any employee holding a staffing plan position called to serve on a jury or as a witness in any legal proceeding is eligible to use jury and witness duty leave. The employee must submit a leave of absence request with a copy of jury notification to the immediate supervisor.

Employees subpoenaed as a witness in a legal proceeding except in one involving the employee versus the College may be eligible for witness leave with pay based on a case-by-case evaluation. Employees have the option of retaining jury duty pay if they do not claim their regular STC pay. Reimbursement for jury duty expenses is not considered jury duty pay.

**Leave without Pay**  
*Policy 4316 (12/15/20)*

I. **Purpose**

A leave without pay for up to 120 consecutive business days during a consecutive twelve (12) month period, except as otherwise provided, may be approved by the President for good cause and when in the best interest of the College and in accordance with this policy.

II. **Policy**

Leave without pay may be granted for up to 120 consecutive business days during a consecutive twelve (12) month period to full-time regular employees for medical or other personal reasons subject to the following provisions:

1. Except for disciplinary suspension, parental leave, family and medical leave, workers' compensation and military situations, all accumulated paid leave entitlement must be exhausted before granting leave without pay, with the additional provision that sick leave must be exhausted only in those cases where the employee is eligible to take sick leave under sick leave provisions.
2. Except in cases of an employee returning to employment from military leave without pay, any full calendar month in which an employee is on leave without pay will not be counted in the calculation of total service for vacation pay.

3. Employees will not accrue vacation or sick leave during the period of leave without pay.

4. Employees will continue to earn credit for years of service while on leave without pay. Faculty will not earn service credit for faculty classification process.

During a leave without pay, the College will continue to pay the employer portion of the employee’s health insurance and the employee will be responsible for paying their premiums to the Employees Retirement System of Texas accordingly.

**Request of Leave Without Pay Process**

Leave without pay shall be requested by completing the Leave Without Pay Form at least 60 days prior to commencement of the leave or as soon as practicable prior to the commencement of the leave in the event of an unforeseeable absence. The form must be submitted to the immediate supervisor and must include the following:

1. In the case of a personal reason for the requested leave without pay, the employee shall submit appropriate documentation to substantiate the request. In the case of a medical reason, an appropriate and sufficient medical certification must be submitted directly to the Office of Human Resources.

2. The provisions required to accomplish the employee's work, including the practicality of reassigning duties for the time period;

3. Whether the request is for a qualifying personal reason; and

4. The employee's acknowledgment of intent to return to work.

The employee’s immediate supervisor shall evaluate the leave without pay request in consultation with the Office of Human Resources and recommend whether the request shall be granted or denied based on the criteria and shall state the reasons of the decision. In the case of a request for leave for a medical reason, the Office of Human Resources shall evaluate the request to determine if it is for a qualifying medical reason. The immediate supervisor will submit a recommendation to grant or deny a request for leave without pay to the immediate supervisor’s chain of command, including the Director/Dean, appropriate Vice President, and the Office of Human Resources. The appropriate Vice President shall submit the recommendation to the President who shall approve, deny, or modify the requested leave without pay.

The approved or denied Leave Without Pay Request Form will be submitted to the Office of Human Resources for processing. The Office of Human Resources shall, promptly, deliver a copy of the approval or denial of leave without pay to the employee requesting the leave without pay and to the employee’s immediate supervisor.

**Procedures**

The Director of Human Resources or Designee shall administer and monitor leave without pay policy compliance and procedures.

Employee Medical Insurance
Policy 4340 (06/16/05)

South Texas College provides group medical insurance for eligible employees and their qualified dependents in accordance with the Texas Employees Group Benefit Program as administered and implemented by the Employees Retirement System of Texas.

Optional Retirement Plan (ORP)
Policy 4351 (07/24/13)

South Texas College will distribute to eligible employees, the 1.9% optional retirement contribution to the extent local funds are available. The state and supplemental contribution rates will total 8.5% as approved by the State of Texas. Eligible employees will be limited to those employees who first started participating in ORP at any Texas public institution of higher education prior to September 1, 1995, whether or not the participant subsequently changed ORP employers or had a break in service with the same ORP employer.
Tax Sheltered Annuities

South Texas College makes available to all eligible employees the 403(b) plan (tax sheltered annuities). The conditions and procedures necessary for an insurance carrier to be authorized to write tax sheltered annuities for eligible employees of the College, together with additional comments concerning the Tax Sheltered Annuity Program, are provided below. To request authorization, the President or general counsel for the insurance company must write a letter addressed to the Vice President of Finance and Administrative Services.

TRANSFER OF CARRIERS

Active employees who are eligible to participate in the Optional Retirement Program or Tax Sheltered Annuity Program may continue with the same carrier or choose to transfer to another carrier during employment. Employees who are eligible to participate in the Optional Retirement Program or Tax Sheltered Annuity Program and who are already participating in such programs shall be allowed the option of continuing such participation with the same carrier whenever such employee transfers from one institution of education to another.

Liability and Insurance

The laws governing teacher liability for injuries sustained by students are vague and the extent to which teachers may be held liable is inconclusive. All faculty members are cautioned that the vagueness of their legal liability status leaves them in a rather precarious position and they should exercise all reasonable precaution to avoid the possibility of being held liable for accidental injury.

To minimize the likelihood of being held liable for damages, certain rules can be stated. Students must never be permitted to use equipment that is unsafe or to be exposed to undue or needless hazards or dangerous situations. Neither should they be permitted to use equipment without prior instruction about its safe operation and they must demonstrate to the instructor’s satisfaction that they know and understand how to operate it in a safe manner.

Students should never be left unsupervised in a shop or laboratory. Adequate precautions should be taken in those instances when students are permitted in shops or laboratories on an individual basis to do make-up or additional work. Similarly, regulations should be established to safeguard against unscheduled usage of equipment by students.

For more benefits information refer to Employee Benefits Handbook available from the Office of Human Resources. It is also available at: https://hr.southtexascollege.edu/benefits.html
